Wolville, February 9.—Rev. Dr. Sawyer, D. The "City of Montreal."—Mr. Troop writes from New York that the repairs on the "City of Montreal" are proceeding with rapidity. A gang of fifty men are at work upon her, making the necessary changes and improvements. Mr. Troop thinks that she will be ready in a fortnight. San Francisco, Feb. 10.—The Springfield Trade Journal says: "The Springfield I. O. O. F. and G. T. R. had a combined tariff for coal shipped from Nova Scotia to the U. S. ports. Under this tariff the rate on Springfield coal was \$3.49 per ton of 2,000 lbs. This rate has been maintained for four years. A few days ago notice was received to the effect that on the first of February that this would be increased fifty per cent, or to about \$5.70 a ton. What does this mean? Is it a tariff bill? It means," replied our informant, "a discrimination in the output of Springfield by at least one-half." It is said the coal-lies will close.
