PUZZLE CORNER

Dear Boys and Girls:-It is very pleasant to find that so many of you received so many nice letters with correct answers that it was very hard to select the prize winner. We had to consider many things in making our heision. For originality, expression, legibility and neatness the letter of "Mayflower," West Paradise, was seected as worthy of the prize. I know you will all enjoy reading

When we all met that afternoon, about three! o'clock, I found that, beside my own the only fish that had been caught were two large ones caught by my father. We were all tired as the day was very warm so we decided to give up fishing for that afternoon, so some of the boys took a rope which we had that we have ever had in stock. taken up with us and made a swing
