

MRS. M. PECK HAS GAINED 25 POUNDS

Nine Years Trouble Ends And She Is Well and Happy Now.

"I have gained twenty five pounds since I commenced taking Tanlac and the troubles that have been making life miserable for me for nine years have been completely overcome," said Mrs. Minnie Peck, who lives at 957-4 1/2 Ave., Edmonton, the other day.

"When I commenced taking Tanlac," continued Mrs. Peck, "I was so weak and run down that I was hardly able to get about. Everything I ate disagreed with me, and I would suffer for two or three hours after every meal on account of gas forming and bloating me up. I would have severe cramping pains in the pit of my stomach. I was very nervous, so much that the stamping of a door would up set me terribly, and a good night's sleep was out of the question for me. I would actually get out of bed every morning feeling more tired and worn out than I did the night before. This condition just kept getting worse all the time until I got to where I was compelled to stay in bed most of the time."

"Then I decided to give Tanlac a trial, and it's the honest truth, I commenced to feel better before I had finished my first bottle of this wonderful medicine and my condition just kept getting better until I am now as well as I ever was in my life. I never have a sign of stomach trouble now, and I have a fine appetite and eat just anything I want. I have gotten back all my strength and can easily do all my housework. My nerves are in perfect condition and I sleep like a child every night. It is simply wonderful the way I have gained in weight, and in fact, I just feel fine all the time. Yes, Sir, Tanlac is a wonderful medicine and as long as I live I will never lose an opportunity to say a good word for it."

Tanlac is sold in Bridgetown by S. N. Wear and in Middleton by Clifford A. Mumford, in Bear River by L. V. Harris.

CALL TO PRAYER

(From the Bear River Church Chronicle)

Jesus emphasized the need and value of prayer. He gives it first place upon the program of world evangelization. "Tarry ye in the city of Jerusalem, until ye be endued with power from on high" was imparting command to his disciples. If the world is to be redeemed God must do His task. Ours is the privilege of fellowship with Him in this glorious work. God can only accomplish His task through human agents; or at least he so far has chosen this method of carrying on His work. The work is ours, the power and equipment for the work is His. Prayer equips and qualifies the worker for his task on the spiritual side. Prayer is not only communion it is union. Prayer not only asks but gives. Prayer, passively speaking is waiting upon God for blessing and inspiration. Prayer, actively speaking, is waiting upon God as a servant or a son. As a church we stand especially in need of a season of refreshing from the presence of the Lord. At the same time we need an outpouring of His Spirit upon the unsaved in the community. There are a great number in our constituency who have not as yet confessed their Lord. Shall we as a church devote some part of each day to prayer? Praying for a larger measure of the spirit of Christ in our hearts and a large gathering of precious souls. Let us ask great things of God and expect great things from God.

The Housing Commissions of Hamilton, Ont., has seventy five houses in the course of construction, but the commissioners say they are being held up by scarcity of workmen and materials. In some cases masons employed by them have been offered as high as \$1.25 an hour.

LOCAL DEATH ROLL

URIAH GRAVES

Uriah Graves, an aged and respected resident of Welton's Corner, Kings county, passed to his Heavenly home on Friday, November 14th. He was born November 29th, 1835, at Fort Lorne, Annapolis County, and married Charlotte Fisher, of Somerset, who predeceased him eleven years ago. He is survived by three sons, Capt. Emmerson F. of Cambridge, Leander O., of Welton's Corner, and Charles E., of Lynn, Mass.

Mr. Graves was a very active man till about a year ago when he was stricken with paralysis from which he never fully recovered. A second stroke on November 5th followed and finally on the 14th he was promoted to the endless life. The funeral took place on Sunday, the 16th, at the home of his son, Leander, Rev. E. H. Howe, of Greenwood Square, delivered the address. Appropriate music was rendered by the choir. The remains were interred in the Baptist Cemetery at Aylesford.

MRS. CHARLES B. DARGIE

The Annapolis Spectator says: The community was grieved last Saturday to learn of the death of Elizabeth, wife of Charles B. Dargie, which occurred at her home in Lequite that morning at the age of 75. Deceased was one of the most highly esteemed and generally beloved ladies of the country side and her passing will be sincerely mourned by all who knew her. The funeral took place on Monday afternoon to Woodlawn Cemetery with services by Rev. C. A. Munro, assisted by Rev. T. C. Mellor, with the combined St. George's and Lequite choirs and Prof. Morse and Mrs. Robert Hardwick at the organ. Deceased having been a life long member of St. George's Methodist Church.

Mrs. Dargie was a daughter of the late John Lockwood, of Lequite and leaves besides her husband one son and one daughter. Frank M., one of the most prominent citizens and a Town Councillor of Annapolis Royal, and Mrs. J. H. Runciman. A most motherly, helpful and sympathetic woman, the record of her good and kindly life can never be written.

FURTHER IMPROVEMENTS ON THE D. A. R. ROADBED

A hurried visit which no doubt has considerable significance to this province was made recently by Grant Hall, vice-president and C. H. Temple, general superintendent motive power, western lines of the C. P. R. These distinguished officials made a tour of inspection over the Dominion Atlantic Railway in Company with General Manager George E. Graham, General Freight Agent F. G. J. Comeau, and J. H. Yould, mechanical superintendent. At Halifax the party spent a couple of hours visiting the ocean terminals and other points of interest, returning in special car "Loch Lomond" attached to the Maritime Express. Mr. Hall expressed the hope that before very long the present light rails on the D. A. R. will be replaced by heavier standard steel. War conditions had delayed this work but it would now be undertaken.

WHAT THE D. A. R. IS DOING FOR DIGBY

(Kentville Advertiser) Digby is to have an up-to-date Standard Station with all modern improvements, to be completed before next summer. The railway expects to spend between \$60,000 and \$65,000 on the structure and probably as much more on the Pines Hotel and grounds. The Dominion Atlantic Railway has done great things for the Town of Digby, and will for any town which is progressive and wide-awake to its opportunities for advancement. It is one of Kentville's greatest assets.

FIRE AT DEEP BROOK

Avard Burrell Loses Valuable Barn. A fire of 50 tons hay, 300 bushels grain and all farm implements.

Avard Burrell, of Deep Brook, had the misfortune to lose his barn by fire Monday evening. The flames were first observed about 7.30 but how they started is a mystery. The barn was one of the most modern in Annapolis county, and was filled with produce and implements. The live stock, which were kept in the basement, were got out, but everything else, including a fine outfit of tons of hay, three hundred bushels of grain and all the implements and wagons necessary on a modern farm, were destroyed. The loss is estimated at about \$8,000, on which there is only a small insured.

CORRESPONDENCE

OUR WORK APPRECIATED

To the Editor of the MONITOR: DEAR SIR: Now that the Victory Loan campaign has closed with such a magnificent subscription over 100 per cent more than the government asked for from the people of Canada, Mr. Wilkinson and I wish, on behalf of the Dominion Press News and Feature Committee, to express our appreciation of the generous support given by all weekly newspapers in Canada to the Victory Loan 1919. Backed by a nation wide advertising campaign, editorial and news articles in all the newspapers of Canada, there never was any doubt but that the campaign would be a success. To the weekly newspapers of Canada in no small measure must be given credit for the success of the loan.

Let us again thank you for the assistance you have given and remind you once again that the success of the loan, primarily was due to the advertising and publicity campaign carried on through the columns of the newspapers of Canada.

Yours very truly, W. J. TAYLOR, Chairman Toronto, Nov 29, 1919.

IN MEMORIAM

In loving memory of the Bard Whyman, who died of wounds "Some where in France" Nov 3rd, 1917 aged 29 years.

Far away on the fields of Flanders Let our wandering thoughts be led Where moss grows thick beneath our feet, And Pines sigh overhead.

The trace of a dismantled fort Lay in the forest nave, And in the shadow near our path, We see a soldier's grave.

'Tis the grave of one we remember, Who went with the willing men, When a call for the best came ringing Along by the moor and glen.

His dust is asleep in Flanders, And our eyes with tears go dim, As we light our lamps in the gloaming, And silently think of him.

He gave his life for his country, 'Tis freedom to maintain, And his name is written in God's great book, For he sleeps among the slain.

Alone he lay among strangers, While his life's blood ebbed away, For Britain's name he fought to shield All through the bloody fray.

If we could have raised his cying head, Or heard his last farewell, The grief would not have been so great, For him we loved so well.

We weep that his toils are over, We grieve that his race is run, God grant we may rest as calmly, When our work, like his is done.

Till then we would yield with gladness Our treasure to Him to keep, And rejoice in the sweet assurance He gives His loved ones sleep.

May the Heavenly winds blow soft O'er that sweet and hallowed spot, Though the sea divides his grave from home, He'll never be forgot.

They miss him most who loved him best, Grant him, oh! Lord eternal rest, And in thy holy sacred keeping We leave our soldier Ladd's sleeping.

MRS. RUEL OUTHOUSE, Tiverton, N. S.

The mild weather during November was very favorable for fall ploughing and a good preparation has been made for next spring's farming operations.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Freezone is the sensational discoverer of a Cincinnati genius. It is wonderful. Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic. A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes and the calluses, without soreness or irritation.

THE MARITIME WINTER FAIR

Amherst, Dec. 8.—The Maritime Stock Breeders Association have been working hard to make this year's Winter Fair eclipse all previous efforts along that line. Their efforts are meeting with encouragement. This morning Mr. F. L. Fuller, Secretary of the Association received letters of acceptance, to be present and participate in the Fair, from Mr. H. S. Arkell, Live Stock Commissioner, Ottawa, Prof. George E. Day, Secretary of the Canadian Short Horn Breeders Association, Guelph, and several other prominent stock men.

Hon. Murdoch McKinnon, Lieutenant Governor of Prince Edward Island, has consented to be present and to officially open the Fair at eight o'clock Monday evening, Dec. 15. The opening will also be participated in by Hon. Dr. S. F. Talmie, Minister of Agriculture and Prof. E. S. Archibald, Director of Experimental Farms, Ottawa, who will be present throughout the Fair. The attendance of these nationally eminent specialists in stock breeding and raising will make the Fair one of rare value to Maritime breeders who according to present prospects will attend in greater numbers than ever. Special housing arrangements are being made so that all can be properly cared for.

Hon. W. S. Fielding was 71 years old on Monday.
