

CHAINS OF THE WORKING MAN

A Novel

BY NED BUNTLINE

Author of "The Mysteries of New York"

...the most striking and... created more... of the...
...the... the... and...
...the... the... the... of the large part of our community who are
called the WORKING MAN; and no man has had more opportunity of becoming acquainted
with the details of their life. All its lights and shades, than Mr. Judson, who has been
generally called the FRIEND OF THE WORKING MAN. The present work, the CHAINS,
abounds more than "THE MYSTERIES" in all these...
...strength, vigor, and power, and that keen insight into and...
...which are... characteristics of its popular subject...
...an unsparing...
...the...
...a more touching...
...Mary and Susan, beautiful...
...and the craving... of themselves, but of their...
...surrender up that... which they prize more than life. And...
...time, when public opinion is strongly turned to the subject, and...
...in his might to... of the chains that weigh him to the earth...
...for his labor, the... which presents such...
...by the... and non-paying...
...the man a just... of his rights, but also...
...of the maxim: the Laborer is worthy of his...
