NEW PRESBYTERIAN CHURCH.

We are happy to learn that the Presbyterians on Wallace River have resolved on erecting a church in that settlement. The size agreed on is about 40 feet long by 30 feet wide. About ninety pounds have been already subscribed. We take pleasure in noticing the liberality of Mr Chisholm of that place, who has given a convenient lot for a site, and subscribed twenty-five pounds in aid of the building. The Board of Domestic Missions will thankfully receive any contributions in aid of the undertaking.

The Divinity Students of the Presbyterian Church located in the vicinity of Truro held a missionary meeting in the village, on the evening of Wednesday, the 26th Feby., for the purpose of promoting the object of the society previously organised by the students attending the Hall. The meeting was numerously attended. Alexander Kent Esq., elder, occupied the chair. The meeting having been opened in the usual way, with praise and prayer, was addressed by Mr James Thomson and Mr Allan Fraser, students, and subsequently by the Rev. Messrs McCulloch, Wadell and Baxter. At the close of the proceedings, a collection was taken, which, including two subsequent donations, amounted to £3 15s 6d.

They held also another meeting in Onslow for the promotion of the same object on the evening of Thursday the 13th inst. which was very respectably attended.

The Rev. Mr Baxter occupied the chair. The meeting was addressed by the students already mentioned and Mr Baxter. A collection was taken which amounted to £1 13s.

The annual session of the Literary and Philosophical Department of the Presbyterian Church of Nova Scotia's Seminary for this year, commenced on the 5th March, at West River. The proceedings were opened by prayer from the Revd. George Patterson, and a very able address was read by the Professor, the Revd. James Ross, on the different Schools of mental Philosophy, and their influence upon Science, Legislation and Religion. The Revd. Messrs McCulloch, Bayne, McGilvray, and Mr Robert Grant, Preacher, were also present, and severally addressed the students in suitable words of encouragement, warning, and advice.— There will be eighteen Students in attendance during the term, besides the eight who attend the Theological Hall.

MISSIONARY APPOINTMENTS.

Mr Robert Grant has been transferred to the Presbytery of Pictou.

We regret that Mr Honeyman has been laid aside for a time from public labor by a severe attack of illness.

Mr McCalby will in all probability be transferred to the Presbytery of Pictou.
