

MISS MARY CAMPBELL, Elm, writes: "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I had been troubled with Dyspepsia for a number of years, and tried many remedies, but of no avail, until I used this celebrated Dyspeptic Cure." For all impurities of the Blood, Sickheadache, Liver and Kidney Complaints, Costiveness, etc., it is the best medicine known.

A FAILURE IN CROPS.—A species of worm is eating all the leaves from the chestnut and hickory nut trees in many sections, and the crop will be a failure. Worms that afflict children or adults will prove a failure if Dr. Low's Pleasant Worm Syrup is used. It is a safe and sure cure for all worms that lurk in the human system, tape worm included.

ONE trial of Mother Graves' Worm Exterminator will convince you that it has no equal as a worm medicine.

Hard and soft corns do not withstand Holloway's Corn Cure; it is effective every time.

HOUSE PLANTS.—Many a beautiful rose had been nipped in the bud by an undiscovered worm, and many a young life has been sacrificed to the destructive power of worms in the human system. If you would save those other tender house plants, "your children," give them Freeman's Worm Powders, they are safe and Pleasant, and are warranted effective.

JABESH SNOW, Gunning Cove, N. S., writes: "I was completely prostrated with the asthma, but hearing of Dr. Thomas Electric Oil, I procured a bottle, and it done me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."

A LITTLE BEHIND HAND.—Some people are always a little behind hand in all undertakings; delays are dangerous, and none more so than in neglecting what seems a trifling cold. Prudent people break up the ill effects by timely use of Hayward's Pectoral Balsam, thus preventing serious lung troubles.

MR. WM. BOYD HILL, Cobourg, writes: "Having used Dr. Thomas' Electric Oil for some years, I have much pleasure in testifying to its efficacy in relieving pains in the back and shoulders. I have also used it in cases of croup in children, and have found it to be all that you claim it to be."

Scientific and Useful.

CUSTARD PIE.—Three beaten eggs, three tablespoonfuls sugar, a little nutmeg and salt, and two large cupsful rich milk.

APPLE CREAM PIE.—To the above mixture add a cupful of grated sweet apple, leaving out one-fourth the quantity of flour.

ACID PIE.—Two tablespoonfuls flour, one scant cupful water, one-third cupful molasses, one-third teaspoonful tartaric acid, set on the stove and stir until it boils, and bake with one crust.

CREAM PIE.—Stir smooth two large tablespoonfuls of flour in a cup of warm milk, add another cupful of very rich sweet cream, three tablespoonfuls of sugar, a dash of salt and a little flavour. Bake with one crust.

NOVEMBER SAUCE.—To one quart of cranberry sauce add a handful of chopped raisins; it improves the flavour. It is best to improve the season, also, when cranberries are cheap, by putting them up with a little sugar for fruit tarts or poultry sauce. Use glass or stone jars, not tin.

A QUICKLY MADE DESSERT.—Is an imitation custard pie. Beat three eggs, three large spoonfuls of sugar, a bit of nutmeg, half a teaspoonful of salt, and two scant tablespoonfuls of flour. Add to these enough rich milk to fill a well-buttered square pie tin. Stand five minutes and bake. Or bake without sugar, and eat with sugar and cream.

CAKE WITH NUTS.—The hickory nut season is here now, and the following way of making cake can be tried: Two teacups of sugar, half a cup of butter, one cup of thin cream, three and a half cups of flour, two teaspoonfuls of baking powder mixed with the dry flour, three eggs, the whites and yolks beaten separately, and one large cupful of the hickory nuts chopped or broken in small bits.

CHRISTMAS PUDDING.—Well stir three-quarters of a cup of butter and the yolks of four eggs together. Add one cup of molasses and two cups of warm milk with two teaspoonfuls of soda dissolved in a tablespoonful of boiling water and added to the milk. Season with a teaspoonful of cinnamon, half a teaspoonful of cloves, a little nutmeg and salt. Add flour to make it as stiff as pound cake, and lastly two pounds of raisins stoned and chopped fine, one quarter of a pound of citron and the whites of four eggs beaten to a stiff froth. Tie in a floured bag, leaving room for the pudding to swell, and steam six hours.

BROWN FRICASSEE OF CHICKEN.—Clean, wash and cut the chicken into comparatively small pieces. Chop a quarter pound of fat salt pork and half a small onion. Put the chicken with these into a pot with a pint of cold water, and stew slowly until the meat is tender. Take out the chicken, put into a colander and keep hot over a pot of boiling water, throwing a cloth over the colander. Strain the gravy back into the pot, season with parsley, pepper and salt. Thicken with a tablespoonful of browned flour, boil up once, return the chicken to the gravy, simmer ten minutes and serve.

MR. W. A. WING, Westport, writes: "I wish to inform you of the wonderful results which follow the use of Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. A cough of six months' standing had reduced me to such an extent that I was unable to work. I tried many remedies without effect; at last I used this Emulsion, and before three bottles were used I am glad to say I was restored to perfect health."

IRISH STEW.—About two pounds of the neck of mutton, four onions, six large potatoes, salt, pepper, three pints of water and two teaspoonfuls of flour. Cut the mutton in handsome pieces. Put about half the fat in the stew-pan, with the onions, and stir four eight or ten minutes over a hot fire; then put in the meat, which sprinkle with the flour, salt and pepper. Stir ten minutes, and add the water, boiling. Set for one hour where it will simmer, then add the potatoes, peeled and cut in quarters. Simmer an hour longer, and serve. You can cook dumplings with this dish if you choose. They are a great addition to all kinds of stews and ragouts.

INDISCRETION in diet brings on dyspepsia and irregularity of the bowels. Eat only wholesome food, and if the trouble has become permanent—as it is very prone to do—try a course of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. The combined effects astonish and delight the sufferer, who soon begins to digest well, regain functional regularity and improves in appetite; the blood becomes pure, and good health is restored.

THE KEY TO HEALTH.
