## X. Evening Schools.

The Council of Public Instruction has made the following Regulations in reference to Evening Schools :

1. Trustees of Public Schools may establish in their several Sections Evening Schools, for the instruction of persons upwards of 13 years of age, who may be debarred from attendance at the Day School.
2. Such Evening School shall be in session 2½ hours; and in relation to Public Grants, two evening sessions shall count as one day. The Prescribed Register shall be kept, and a Return of the school made in the form directed by the Superintendent.
3. Books and School materials for such Evening Schools will be furnished at the same rate, and subject to the same conditions as for day schools; provided always that no pupil of an Evening School shall have power to demand the use of books free of charge, but shall, on the other hand, have the right of purchasing from the Trustees at half-cost, if he should desire to do so.
4. No portion of Provincial or County funds for Education, shall be appropriated in aid of Evening Schools, unless teachers are duly licensed.
5. The Council would greatly prefer that the Teachers of Evening Schools should be other than Teachers of Day Schools, but where this may not be practicable, it shall be legal for the Teacher of the day school to teach day school four days in the week, and evening schools three evenings in the week.
