

Deputation East--Revs. Septimus Jones, and Dr. Hodgkin. *Deputation West*--Rural Deans Alien and Smithett.

Resolved--That this Board would respectfully recommend his Lordship the Bishop to order at some favourable time a special collection in order to raise the proportion due by this Diocese, for the stipend of the Missionary Bishop of Algoma; and that meanwhile the Secretary-Treasurer be instructed to continue the payments on that account.

Resolved--That the Secretary be instructed to inform the Bishop of Algoma, that in the opinion of this Board, this Diocese can undertake no more than its just proportion of the expenditure actually incurred for the support of the Missionaries in his Lordship's Diocese, as a part of this Ecclesiastical Province.

Widows and Orphans' Fund, and Theological Students' Fund Committee.

Present--Rev. H. C. Cooper (appointed Chairman for the current year); Revs. E. W. Murphy, I. Middleton, W. H. Jones, F. Tremayne; Hon. V. C. Blake, Professor Wilson, Capt. Blain, and S. J. Vankoughnet.

On account of the income of the W. and O. Fund being insufficient to meet the demands upon it, a Sub-Committee was appointed to prepare an appeal to the Diocese, to be read in the Churches before the October Collection.

It was decided to pay the October pensions in full, in the hope that the deficiency would be made up by the receipts from the October Collection.

Applications for Divinity Exhibitions in Trinity College, were received from Mr. George Gibson, of Toronto, and Mr. J. H. Moorhouse, of Newburg.

The requisite testimonials and certificates accompanied both applications.

Both gentlemen were placed on the list of Exhibitioners, to date from 1st October, 1875, subject to the usual conditions as specified in the Theological Students' Fund By-Law.

General Purposes, Statistics, and Assessment Committee.

Present--The Rev. John Fletcher (appointed Chairman for the current year); Revs. Dr. O'Meara, Thomas Ball, John Vicars, R. W. Hindes, C. W. Paterson. Messrs. D. B. Read, Marcellus Crombie, and J. C. Morgan.

A grant of \$50 was made in aid of St. Mary's Church, Tullamore.

An application for a grant in aid of the Parsonage at the Battenaux was postponed until the title to the land is vested in the proper Church authorities.

The Rev. Dr. Lett having renewed his application for a grant in aid of the Chapel School House, Collingwood, consideration of the matter was again deferred, the information furnished having disclosed a special case requiring the consent of three-fourths of the members of the Committee.

The Committee having taken into consideration the expediency of printing the Parochial Statistics in the usual tabulated form, it was decided that the Constitution of the Synod prevents the Committee making any change in this respect.

Letter having been read from the Rev. E. F. Wilson, of Sault Ste Marie, complaining that all moneys paid in at the Synod Office on account of the Shingwauk Home, are subject to an assessment for their share of Synod expenses, and stating that he fails to see how the Missionary Diocese of Algoma can in any way come within the laws made for the Diocese of Toronto:

Resolved--That this Committee report to the Synod, that the sum of \$49.88 paid to the General Purposes Fund, assessment of 1874, on moneys contributed to the Shingwauk Home, ought to be remitted and the same carried to the credit of the Shingwauk Home, especially as a large proportion of the contributions to the Home was made by the Rev. Mr. Wilson, who has charge of the Home.

The Wardens of Christ Church, Hamilton, having applied to have their Synod assessment reduced, the same being in their opinion too high and out of proportion
