

NEWS AND NOTES.

HAVE YOU NEURALGIA!

If you are suffering the agonies of neuralgia, and have failed to get a remedy that will afford relief, we want you to try Polson's Nerviline. No remedy in the market has given anything like the same degree of satisfaction. Its action on nerve pain is simply marvellous, and as it is put up in 10 cent sample bottles no great expense is involved in giving it a trial. Polson's Nerviline is the most pleasant, powerful and certain pain remedy in the world. Sold by all dealers in medicine, 10 and 25 cents bottle.

An advertisement appeared a short time ago for a woman to 'wash, iron and milk one or two cows.' We can understand the cows want milking, but why on earth they require washing and ironing is beyond our comprehension.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

The daughters of the Princess of Wales are excellent pedestrians. For a number of years they have been put through a vigorous course of physical training, and they think nothing of a ten mile walk.

For cramp in the stomach, croup, colic, inflammation of the lungs or bowels, warm Minard's Liniment, rub freely and cover the affected parts with brown paper well saturated with the Liniment, and take it internally according to directions. A cure guaranteed.

We might take lessons from childhood in that enviable art of being easily made happy.

TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it Free to any Person who applies to Nicholson, 177 McDougal street, New York.

If a box six feet deep were filled with sea water and allowed to evaporate under the sun, there would be two inches of salt on the bottom. Taking the average depth of the ocean to be three miles, would be a layer of pure salt 230 feet thick on the bed of the Atlantic.

GREAT DISCOVERY.—The greatest boon to mankind discovered during the present century is Minard's Liniment, the instant remedy for all cramps, bruises, sprains, coughs, colds, quinsy, croup and diphtheria. It also allays pain in the back and limbs. There is nothing extant so good for the scalp and hair, as it removes dandruff and produces a fine silky growth of hair.

RHEUMATIC PAINS

Require no description, since, with rare exception, all at some time have experienced their twinges. Rheumatism is not easily dislodged, only the most powerfully penetrating remedies reach to its very foundations. The most successful treatment known, and it is now frequently resorted to by medical men, is the application of that now famous remedy for pain—Polson's Nerviline. It is safe to say that nothing yet discovered has afforded equal satisfaction to the suffering. A trial can be made at a small cost, as sample bottles of Nerviline can be had at the drug stores for 10c., large bottles 25 cents.

Some people have an idea that about all religion is for, is to help them to have a good time and be respectable.

WHAT'S THE MATTER?

Used up with asthma. Go to the druggist and get a bottle of Minard's Honey Balsam; it is a positive cure for asthma.

'We gave you a good notice in our paper.' 'Oh, did you? Well, don't do it again. I don't mind your saying our vegetables are delicious and the milk pure, but when you add that our butte. speaks for itself we object.
