

Let's reason together.
Here's a firm, one of the largest the country over, the world over; it has grown, step by step, through the years to greatness—and it sells patent medicines!—ugh!

"That's enough!"—
Wait a little—
This firm pays the newspapers good money (expensive work, this advertising!) to tell the people that they have faith in what they sell, so much faith that if they can't benefit or cure they don't want your money. Their guarantee is not indefinite and relative, but definite and absolute—if the medicine doesn't help, your money is "on call."

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser, you or they?

The medicines are Doctor Pierce's "Golden Medical Discovery," for blood diseases, and his "Favorite Prescription," for woman's peculiar ills. If they help toward health, they cost \$1.00 a bottle each! If they don't, they cost nothing!

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.
The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.

A REMARKABLE STORY

Already famous in Europe, entitled "Four Days," from the Russian of *Garsin* appears in the double summer number of **POET-LORE**—June 15th. It is a vivid picture of a significant episode in the life of a modern soldier. Two short stories of a very different kind follow—"Faded Leaves," and "Green is Hope," translated from the Norse of *Alexander Kielland*. The same number of **POET-LORE** contains a hitherto unpublished letter of *John Ruskin's* on "Wages"; and critical papers on "Two Versions of the Wandering Jew," by *Prof. R. G. Moulton*; "The Text of Shakespeare," by *Dr. Horace Howard Furness*; "An Inductive Study of 'As You Like It,'" by *C. A. Wurtzburg*; and a "Study Programme: Magic, Out-door and Human Nature in Literature," of practical use to Reading Circles or for the home study of literature.

A COMPLETE PLAY—"Harold," by the distinguished German dramatist *Ernst von Wildenbruch*, will be given, translated into English verse, with the author's sanction, in the second double number of **POET-LORE**—Sept. 15th. This drama is on an English theme, is full of action, and is a marked success on the German stage (copyright applied for). A portrait of the author, and a critical and biographical account of him, will also be given.
