

pating a good game when word was received from Toronto that it must be called off owing to an Inter-Faculty match scheduled for the same morning. Surely an Inter-Faculty game might have been postponed to a later date rather than prevent altogether an Intercollegiate game of established custom.

A team of Queen's tennis players accompanied the Rugby men to Toronto and had an interesting contest with Toronto 'Varsity club. Queen's representatives were B. O. Strachan, Prof. Campbell, R. A. Wilson, J. A. Donnell, C. S. Twitchell, and Mr. Nicoll. Though many of the games were close the Toronto players proved too strong for our boys, capturing seven of the nine events. In the singles only Prof. Campbell was successful, winning from the Toronto champion by 7-5, 6-0, while Wilson and Donnell alone won their doubles. In view of the difficulties under which our Tennis Club has laboured in the past, we feel amply satisfied with their showing. It is to be hoped these games will pave the way to an annual Intercollegiate Tennis tournament.

The tennis tournament has been at length finished in spite of the many delays from unfavourable weather. The new courts have been much appreciated and the entries were many, showing a greatly-increased interest in the game. In the men's singles the championship was won by Prof. Campbell, whom the students were much pleased to see mingle in their sports. The ladies' singles again fell to Miss Watson after a close contest with Miss Ferguson. R. A. Wilson and J. A. Donnell won the men's dou-

bles, and R. A. Wilson and Miss Watson the mixed doubles.

Owing to lack of space the full results cannot be reported till a later issue.
