## If You are Building, Investigate the RECTOR System of GAS HEATING

No furnace necessary; simply a gas radiator in each room, automatically controlled by a thermostat. This system has revolutionized heating and banishes the stoking of furnaces and the bother of buying fuel to the past.

We will be glad to have you investigate this system and give you estimates. With our special low rate for gas, it competes with any other form of heating.

## "DONALDA" Upright Grand Pianos

At  
Bargain Prices

To clear our ware-room to make room for new stocks of pianos we are offering three only Donalda Upright Grand Pianos at the small price of \$315.00 each. These instruments are in the Louis period design—two are finished in San Domingo mahogany and one in American walnut. If you are thinking of purchasing a piano, you owe it to yourself to come in and see these bargains before you decide. Cash or reasonable terms to suit your convenience.
