

- (b) the Parties shall facilitate exchange of information, including technology, on such terms as may be agreed upon between the supplier and the recipient;
 - (c) either Party or its persons may supply to or receive from the other Party or its persons, nuclear material, material, equipment and information, including technology, on such terms as may be agreed upon between the supplier and the recipient;
 - (d) either Party or its persons may provide to or receive from the other Party or its persons consultancy or other services on matters under this Agreement on such terms as may be agreed upon between the supplier and the recipient;
 - (e) other forms deemed appropriate by the Parties.
2. The Parties shall take all appropriate measures in accordance with their respective laws and regulations to preserve the confidentiality of information including commercial and industrial secrets transferred between persons within the jurisdiction of either Party.
3. The co-operation contemplated by this Agreement shall be in accordance with the applicable laws, regulations and policies in Canada and China respectively.

ARTICLE IV

1. Nuclear material, material, equipment and technology contained in Annex A shall be subject to this Agreement, unless otherwise agreed by the Parties.
