

## ARTICLE 115

In all cases where an internee is a party to proceedings in any court, the Detaining Power shall, if he so requests, cause the court to be informed of his detention and shall, within legal limits, ensure that all necessary steps are taken to prevent him from being in any way prejudiced, by reason of his internment, as regards the preparation and conduct of his case or as regards the execution of any judgment of the court.

## ARTICLE 116

Every internee shall be allowed to receive visitors, especially near relatives, at regular intervals and as frequently as possible.

As far as is possible, internees shall be permitted to visit their homes in urgent cases, particularly in cases of death or serious illness of relatives.

## CHAPTER IX

### PENAL AND DISCIPLINARY SANCTIONS

#### ARTICLE 117

Subject to the provisions of the present Chapter, the laws in force in the territory in which they are detained will continue to apply to internees who commit offences during internment.

If general laws, regulations or orders declare acts committed by internees to be punishable, whereas the same acts are not punishable when committed by persons who are not internees, such acts shall entail disciplinary punishments only.

No internee may be punished more than once for the same act, or on the same count.

#### ARTICLE 118

The courts or authorities shall in passing sentence take as far as possible into account the fact that the defendant is not a national of the Detaining Power. They shall be free to reduce the penalty prescribed for the offence with which the internee is charged and shall not be obliged, to this end, to apply the minimum sentence prescribed.

Imprisonment in premises without daylight and, in general, all forms of cruelty without exception are forbidden.

Internees who have served disciplinary or judicial sentences shall not be treated differently from other internees.
