— on M. for 3°, 3540; (amt.) Govt. Ownership, 3574; Amt., Neg. (Y. 59; N. 105) 3696.

Members of Cabinet do not understand complicated nature of agreement, 3541; in the dark as to Minister of Ry's interpretation, 3541; all matter decided in caucus, further discussion useless, 3541; Prime Minister says G. T. P. is liable to pay 3 per cent, as a matter of fact they are not liable for 1 per cent, 3541; Min. of Int. says stipulations impose no liability on country, yet a heavy burden imposed on people, 3541; G. T. Co. provide working capital, &c., yet no legal obligation to do so, 3541; Govt. propose to build difficult portions of line 1,900 miles, Winnipeg to Moncton, cost \$76,000,000, hand it over to G. T. P. for ten years free, without interest or rental, additional forty years, rental at 3 per cent, no return to country for this concession, 3542; grant running powers fifty years over eastern section, or a lease for one century, company controls all terminals on eastern section, retains all branch lines, &c., 3542; agreed to subsidize lines from Port Arthur and North Bay, 3542; Govt. expedite the surveys from North Bay to Winnipeg, so as to connect with U. S. terminals, 3543; to the detriment of Mar. ports, 3543; freight can be carried from North Bay to N. S. or N. B. by extending I. C. R., 3544; Dr. Russell in favour of Govt. ownership, 3544; letter in Toronto 'Globe' from Dr. Russell *re* Govt. ownership (read), 3545; Prime Minister says the trade of the future gathered by the G. T. Co. brought down to Canadian harbours on Atlantic shore, policy of Lib. Govt., 3546; no suggestion of that kind to be found in agreement, 3547; Mr. Hays shows no abandonment of G. T. R. former policy, 3547; all traffic carried to Portland, 3547; G. T. R. do not deliver to I. C. R. by a former agreement any traffic, 3547; G. T. R. will carry freight by the best revenue route, 3547-8; Min. of Jus. says chief competitor for English market is U. S., overlooking Mar. ports as an outlet, 3548; best harbours in the world in the Mar. Provs., open the year round, 3548; Min. of Int. relies upon Canadian patriotism, 3549; think more of the economical way of shipping his produce, 3549; G. T. Ry. Co. has valuable assets in the U. S. more important than eastern division rental, 3550; President of G. T. R. Co., said not one word about payment of rental for eastern division, 3550; can give an arbitrary value to Portland terminals, 3550; rates may be apportioned by usual practice, 3550; could force Govt. to further concessions, 3550-1; contract as affects western division, 3551; compared with agreement made with C. P. R., twenty-three years ago—no comparison, 3551; Alexander Macenzie made a better offer than Conser-
