DISMISSAL OF RETURNING OFFICER IN
DAVENPORT CONSTITUENCY

Mr. John R. MacNicol (Davenport): I too rise, Mr. Speaker, on this occasion to present a grievance; it is one felt by many people in Davenport riding, several of the most important of whom are present officers of the Liberal association of that riding. It is a protest, as strong as I can make it, against the dismissal of a splendid man, a Liberal, who for the last ten years or more has been returning officer of Davenport riding. He is a man above reproach and against whom no one can point a finger, yet he has been unceremoniously thrown out, much to his dismay. I want to protest against that dismissal both on his behalf and on behalf of the people of the riding.

There must be other ridings that have been just as much incensed over what is going on as is the riding of Davenport. A short time ago the hon. member for Grenville-Dundas (Mr. Casselman) had a series of questions on the order paper in reference to certain matters pertaining to the administration of the department which looks after electoral affairs. The questions were as follows:

1. In how many electoral districts has there been a change in the returning officer since January 1, 1946?
2. What is the name of the party (a) who held the office previously to said date; (b) who has held the office since said date?

3. Why were the changes made?

4. On whose recommendation?

The replies were as follows:

1. Sixty-two.

2 and 3 as follows:
