Madam Speaker: The motion is lost.

Mr. Doug Lewis (Simcoe North): Madam Speaker, I believe there might be a disposition to have the same division recorded for the rest of the motions. However, I would ask the unanimous consent of the House to add to the votes cast by this Party the names of the Hon. Member for South Shore (Mr. Crouse), the Hon. Member for Ontario (Mr. Fennell) and the Hon. Member for Halifax West (Mr. Crosby). If that were done, the same division could be recorded in the *Votes and Proceedings*. Otherwise, we shall have to go through a recorded division again. I believe it might save the time of the House.

Madam Speaker: Does the House agree that the recorded vote for Motion No. 2 should be applied to the other motions, Nos. 3 and 4, and that the names mentioned by the Hon. Member for Simcoe North (Mr. Lewis) be added, since they came into the House once the vote had started?

Some Hon. Members: Agreed.

Madam Speaker: The House agrees.

Mr. Lewis: Madam Speaker, since that courtesy has been accorded, I suggest that the Hon. Member on the Government side who just came into the House may wish the same treatment. If he does, we would certainly agree on this side.

Madam Speaker: For the benefit of the Chair, would the Hon. Member who came late to vote identify himself to the Chair? The Hon. Member for Kenora-Rainy River (Mr. Reid).

Hon. John M. Reid (Kenora-Rainy River): Madam Speaker, I was here for the vote. I merely left my chair to speak to my colleague, the Hon. Member from Scarborough, and then returned to my chair. I was here for the vote.

Madam Speaker: You were here for the vote but you did not vote?

Mr. Reid (Kenora-Rainy River): Yes, I did vote. I was here.

Madam Speaker: I see.

Mr. Lewis: Fair enough.

The House divided on Motion No. 3 (Mr. Reid (St. Catharines)) which was negated on the following division:

(Division No. 366)
