Howick, Que.

My dear Mr. Ness,

This morning I received your letter of August 1st in which you tell me of a banquet to be given in honour of Dr. Shanks of Howick in your Town Hall at seven-thirty p.m., August 9th. It is impossible for me to say at this moment whether I shall be able to go, but I give you the assurance that some one well qualified to represent the University will be present to join with you in doing honour to one of McGill's oldest and best known graduates.

Yours faithfully,

Principal.
