Arthur E. Childs, Esq.,
The Columbia National Life,
Boston, Mass.

Dear Mr. Childs:-

I thank you for your letter of
the 13th of January.

It would give me very great pleasure
to join with the McGill Graduates now living in
New England on the occasion of their mid-winter
meeting in February, but this time I am afraid I
must send a representative. I have to go to New
York in February on behalf of McGill and I am
also going to the Washington Birthday ceremonies
at the University of Pennsylvania. For these
reasons it would be impossible to spare the time
to go to Boston, but I will see that somebody goes
to represent the Staff of the College.

With all good wishes for a pleasant
trip to California, I am,

Ever yours faithfully,

Principal.
