My dear Dr. Walters:-

With reference to your letter of January 9th. As the Memorial College has not yet started, we cannot get the second year examinations, so I am afraid we shall have to do the best we can without them.

I have in the office a syllabus of the school system of Newfoundland which I should be glad to let you see if you care to do so, and I am returning herewith the syllabus.

Yours very truly,

Encl.

Wilfrid Bovey.
