

Sir William Dawson

A Brief

Biographical Sketch. By Henry M.
Anni, Geological Survey of Canada,
Ottawa.

[From The American Geologist,
Minneapolis, Vol. XXVI, No. 1, pp. 1-
48, July, 1900, with corrections and
additions to Bibliography, etc.] 8.00

... Bringing the lives and deeds of our fore-
runners vividly before us ... imparts even to
the most abstruse and technical subjects much
of the personal charm which contact with
strenuous, patient, and noble natures never
fails to reveal. SIR ARCHIBALD GEIKIE, in
"The Founders of Geology."

1900
