

WORD OF NAZARENE WILL GOVERN WORLD

G. Smith, K.C., Delivered
Eloquent Address at Cana-
dian Club Yesterday.

TWO ALTERNATIVES

Germany Had to Face Abso-
lute Ruin if Not World
Power.

Before the Canadian Club at Dun-
gannon's yesterday R. G. Smith, K.C.,
professor of commercial law at Mc-
Gill University, Montreal, and former
attorney of the Montreal bar, delivered
an extremely eloquent address, in
which he fixed the direct responsibility
of the war upon the Kaiser. Quot-
ing extracts from Nietzsche, he show-
ed that that writer's doctrine repudi-
ated the idea that the German success
of 1870 was a victory for German
"kultur" as preached by the Prussian
"apostles of righteousness."
He went on to quote from Bern-
hardi, whose philosophy the Kaiser
was fond of quoting, to the effect that
Germany faced two alternatives—
world power or absolute ruin, and he
showed how closely it assimilated the
ancient teachings of Machiavelli,
whose name was the synonym who
believed that war was an ordinance
not by God and a biological necessity
as provided for by nature, and that
the end-all and be-all of the state was
power.

Believes Conscience.
"I am not a preacher," he declared,
"but I believe in my conscience that
the words of the humble Nazarene
will govern this world when the Kaiser
will be forgotten in the ages of con-
temptible oblivion."
He referred with pleasure to the
bill which is to be introduced at Ot-
tawa to give the Home Guards organ-
ized throughout Canada, their proper
military status. Referring to the
Kaiser's doctrine, he said Canada
would welcome the assistance of her
great neighbor to the south, but no
thinking Canadian could for one mo-
ment rely upon it, as it implied no
protectorate, and if there ever was, it
would involve a change in Canadian
policy and a new flag.

ians' Hands Are Suffering.

GENEVA, March 8, via Paris.—Ad-
vices received here from Serbia set
forth that typhoid fever prevails am-
ong the Austrian prisoners in the
number of 70,000, who are in the
hands of the Serbians. The Swiss
Government has been notified by the
Serbian military authorities that a
Swiss doctor named Ischneider, who
had been serving with the Serbian
medical corps, was dead of this dis-
ease. The Serbians are asking for

HOW TO PREVENT ACID STOMACH

AND FOOD FERMENTATION

By a Stomach Specialist.
As a specialist who has spent many
years in the study and treatment of
stomach troubles, I have been forced
to the conclusion that the real trouble, the
cause of all the ailments which follow,
is excessive acid in the stomach. Hy-
per-acidity irritates the delicate lining
of the stomach and food fermentation
causes which distends the stom-
ach abnormally, causing that full
feeling, indigestion, flatulence, and
the process of digestion. The stomach
is usually healthy and normal, but
these foreign elements—acid and wind—
in all such cases—and they comprise
over 90 per cent. of all stomach diffi-
culties—the first and only step neces-
sary is to neutralize the acid and stop
fermentation by taking in a little
warm or cold water immediately after
eating, from one to two teaspoonfuls
of bicarbonate of soda, which is doubt-
less the best and only really effective
remedy for acid and food fermentation.
The acid will be neutralized and the
fermentation stopped almost instantly,
and your stomach will at once proceed
to digest the food in a healthy, normal
manner. Be sure to ask your druggist
for the bicarbonate of soda, as I have
found other forms utterly lacking in
the peculiarly valuable properties of
this.

Frank Isaacs of the Exhibition
Camp died at the General Hospital
yesterday morning. This makes the
third fatality from meningitis in the
second contingent.

Private Isaacs was an Indian and a
member of the D Company of the 20th
Battalion. He was taken ill on Feb.
17, and it was considered that he had
a very good chance for recovery when
it was found necessary to perform an
operation for ear trouble which, in
itself was serious.

No definite arrangements have yet
been made with regard to the funeral,
but it is expected that he will be tak-
en to his home in Brantford. A spe-
cial service will be held at the camp
this afternoon.

Deduct Ten Dollars.
From all wages of men enlisted
after March 1 \$10 is to be deducted.
This will be for the costs of the civi-
lians' clothing, and will be held for a
period of six months. If any man
should leave the service during this
time the money will be forfeited. In
the event of a man being disabled,
however, the money will be repaid to
him. It is also intended that this \$10
will help to repay the authorities for
any trouble taken should a man de-
sert.

In the event of a man wishing his
discharge it can be obtained on pay-
ment of \$15.
The 15th Battery of the Artillery
was at practice during the afternoon.
Several officers were also practicing
shooting with the new automatic re-
volvers.

Went to Long Branch.
One company of the 15th Battalion
went to Long Branch yesterday morn-
ing for rifle and general practice. Spe-
cial attention was paid to the signal-
ing department. Special helicopter
machines were placed at Long Branch,
Humber, Sunnyside, Exhibition Park
and the island, and messages for sup-
plies were continually transmitted. At
night the lamp flash was used.

A tour of inspection was started
yesterday morning by five officers, in-
cluding Col. W. A. Logie, Major H. C.
Bickford, G.S.O., Major W. P. Butcher,
Major R. K. Barker and Lieut. W.
Ford Howard. The first place to be
visited was Hamilton, where the 18th
and 21st Regiments were inspected.
In the afternoon the 7th Regiment of
Dundas were examined.

Col. Bignar of Ottawa visited the
camp yesterday and inspected the or-
dinance equipment and supplies of the
local force.

Play on Niobe.
Five Toronto musicians will leave
the city for Halifax on Wednesday
for the purpose of joining the band
of the Canadian cruiser Niobe.

Writing to his father, Lieut. W. G.
Nicholls of the Ammunition Corps,
states he was ten miles from the firing
line and that the men are all in the
best of health. He states that the
French people have been very good
and seem very calm and have great
confidence as to the result of the war.
Telling the sad story of the death of
his mother and father, David Cowan,
55 Argyle street, aged 11, moved the
soldiers at the Exhibition Camp to
mercy, and the men made a collection
on his behalf and obtained \$10. On
Saturday, however, a policeman from
Cowan avenue station visited the
camp, at the request of the boy's fa-
ther, who is still alive, and took the
boy home.

tained by the City.

**To the Panama Pacific Exposition via
the Canadian Rockies.**

At the present time a great many
are planning their annual tour. Con-
siderable numbers visit the popular
California resorts, while many prefer
the unsurpassed resorts, palatial hotels
and magnificent scenery of the Cana-
dian Rockies. This year why not com-
bine the two by a visit to the Panama
Pacific Exposition?

Numerous people in comfortable cir-
cumstances, well able to afford a trip,
have the mistaken idea that a journey
of this nature is most expensive. This
is not so; thanks to modern railway
facilities, an extensive trip, both in-
teresting and educational, can be made
with speed and comfort at a com-
paratively small cost. Why not in-
vestigate?

These contemplating a trip of any
nature will receive full information
from any C.P.R. agent, or write M. G.
Murphy, district passenger agent, To-
ronto.
