## Big Leagues Play Today

### OPENING GAMES IN TWO LEAGUES TODAY

National and American Get Under Way—Jeff Tesreau to Pitch for the Giants.

NEW YORK, April 13.—The call of "play ball" will sound tomorrow for the two major leagues of organized baseball. Despite the war among nations abroad and the continuation of the strife between divergent baseball interests at home, big league managers tonight expressed belief that the coming season would be a successful one for the game.

Influences of the European conflict and other factors militating against interest in the sport are decided to have spent their force, and baseball men seem confident that the game will again be well patronized by the public.

New managers in two cities in each league will make their bows tomorrow. In the National League, Roger Bresnahan will lead the Chicago Cubs on the diamond, while Pat Moran will perform a similar office in Philadelphia. In the American League, Clarence Rowland will appear as the new manager of the Chicago White Sox and Wm. Donovan will begin the tutelage of the New Yorks in what their friends hope will be an upward course.

In the opening games in the National League, Brooklyn will play in New York, Philadelphia in Boston, Pittsburgh in Cincinnati and St. Louis in Chicago. In the American League the openings will be: New York in Washington, Boston in Philadelphia, Chicago in St. Louis and Cleveland in Detroit.

In the game in this city Manager McGraw is expected to present Jeff Tesreau as his boxman, while either Pfeffer or Atkinson will occupy the mound for Brooklyn. George Burns, the Giants' crack outfielder and batsman, laid up for some time by an accident, will be at his old station in left field for the opening game. It was said tonight, Brooklyn, however, will still be without the services of First Baseman Jake Daubert, who has not sufficiently recovered from his recent injury to be able to take part in the game.

**PRESIDENT WILSON AT OPENER.**  
WASHINGTON, April 12.—President Wilson plans to open the baseball season here tomorrow, attending the first game between the Washington and New York American League teams and tossing out the first ball. He has accepted an annual pass for the season here.

**ED. WALSH WILL BE READY.**  
LOS ANGELES, Cal., April 12.—Ed. Walsh, the Chicago American League pitcher, was told today by the medical expert who has been treating his arm that he would be in shape to return to Chicago within three weeks and take his regular turn in the box.

The Oddfellows of the Sterling Park League have reorganized for the coming season and will hold practice Saturday afternoon at Sterling Park. All last year's players and any new ones are requested to turn out.

The Arlingtons, last year's champions of the Bayville League, request the following players and any others wishing to join a fast senior team to attend practice at Elizabeth Playground, Thursday with Coach at 6:15, as a game will be played on Saturday at 2:30. Hadden, Potts, Adams, Fergin, Wineberg, Sheppard, Mac Samuel, H. Samuel, Lagoria, Silman, Bob Williamson, Trusely.

### OSLER RECREATION CENTRE.

The indoor season at the centre is fast drawing to a close; last night saw another large turnout of boys. In the junior class Willie V. Smith provided a fast, clever basketball game. Smith's team proved to be the best finders, his team coming from behind in the last half and winning out by the close score of 24 to 22. There was also a marked improvement in the senior attendance last night, the older boys turning out in full strength. The medicine balls were in constant use, the boys finding this an excellent way to work the limbs out. If condition counts the Osler teams will certainly have to be reckoned with in the several Playground Baseball Leagues. The senior management request the following players to be on hand at the centre Wednesday night for a workout: T. Burt, W. Smith, L. Michie, H. Varley, E. Reidpath, G. Chilling, W. Kirby, V. Mackie, H. Burbridge, R. Mackie, P. McFarland, H. Holland, H. Michie, R. W. Douglas, J. Crawford, L. Harris, E. Tomagary, H. Doyle, V. Miller, L. McCammon.

Bell Telephone P.C. players are asked to turn out for practice on Wednesday night at 8 o'clock at corner Appleton and St. Clair avenue, first street west of Calverton and west of north. Will, Dunne, Gibson, Magill, Morrison, Flanagan, Gray, Ponton, Davies, Hampton, Hanson, Kyle, Wheelan, Patterson, David, Townsend please attend.

A very interesting game took place between West Toronto Juniors and Linfield Saturday. Linfield kicked off the game in their favor, but West Toronto served soon pressing and Pring put his side ahead with a lovely shot. Linfield went on and scored two goals in even until the teams changed over, while West Toronto soon showed their mettle and scored three goals in the second half. Final result: West Toronto 3, Linfield 2.

All players of the British Imperial will turn out for training at Earls Court Methodist Church tonight at 8 o'clock. ### SPICY BITS OF SOCCER GOSSIP

Looking Over the Performance of the Players in Saturday's Games.

Hopper of Devonians was in sparkling form against Thistles on Saturday, his shooting and distribution of the play being the main factors in the "Jags" defeat. That international badge seems a cinch if he sustains his form.

The two A's, Armstrong and Aitken, Overeas' left wings are fast dropping to each other's style of play. With the or two more games together they will be a difficult pair to stop.

Gow and Glancy had several interesting tussles on Saturday with honors about even. The two jollied each other throughout the game.

McCookery gave a masterly display of goalkeeping against Queen's Park, his saving and fending of the ball being all that could be desired.

Leslie turned out for Overeas on Saturday and gave a fine display. This is sufficient answer to the many rumors that there was a disagreement between club and player. By the way, Leslie has aspirations, besides being a successful football player, to win a chessman, and will be seen in several races on Toronto bay this summer.

Tommy Cowan, Thistles left half, is a snappy little player, his tackling, placing and worrying tactics being a continual source of worry to his opponents.

Billy Burns is the versatile man on the Devonians' team. Originally a right winger, he played all last season at right half, and on Saturday he essayed the right back position with success. He's little, but he's wise. He's a terror for his sides. These lines of Kilpin's can be justly applied to the plucky little Devonian.

Despite rumors to the contrary Bobby Dawson is no intention of changing his quarters, both club and player being on the best of terms.

There is no truth in the report that Ulster United and Poisons Iron Works are contemplating entering teams in the Toronto Cricket League.

Wychood's win over the Overeas was no flash and dash affair, but a well-played game. The players of the Caledonians were their utter rout of the Caledonians.

The English selection committee would do well to keep their eyes on Hutchison, Old Country's right back. This player's merit should have been rewarded long ago.

Ulster United will shortly lose the services of Marshall, their clever left back. He leaves for the old country shortly.

Davenport are losing the services of Asen and Ryding, the former going back to the old and latter week, while Ryding is going west. Their positions will be difficult to fill, as they are both very enthusiastic opponents of the game.

Poisons are letting some of their surplus talent out, giving three or four good players being granted a week's transfer. Here is a chance for some enterprising club.

Club secretaries please note that The Devonians' club has been notified of the players, club notices news of transfers and any soccer gossip that will be of interest to local players. They should be sent to this office as early as possible, as it is possible to address to the Soccer Federation.

Bell Telephone P.C. players are asked to turn out for practice on Wednesday night at 8 o'clock at corner Appleton and St. Clair avenue, first street west of Calverton and west of north.
