year of \$61,299. For Unforeseen and Unprovided we ask the usual sum of \$50,000. I may say that last year out of the \$50,000 we only felt ourselves obliged to appropriate \$12,731.

Altogether, our anticipated expenditure under the Estimates is \$3,211,918.55.

Now, Mr. Speaker, I come to the question of Receipts—how are we going to meet these estimated expenditures? Hon. gentlemen have in their hands a statement shewing from what sources we expect to derive our revenue.
