

EDUCATIONISTS TALK LONG ON GLEN GROVE NEW SCHOOL PLANS

Erection of School Buildings
Apparently More Remote
Than Ever.

VERY LIVELY SESSION

Two and a Half Hours in
Committee of Whole Dis-
cussing Question.

Glen Grove Avenue School projects were discussed with animation from 4.30 until 7 o'clock yesterday at a special meeting of the board of education. All the 13 trustees spoke several times. Personalities flew freely across the board room. The net result was honors divided, with the date of more remote than when the site was selected several years ago.

The board went into committee of the whole to discuss a special report of the property committee containing five recommendations respecting the much-needed new school.

Trustee Edmunds was called to the chair and he enlivened the proceedings by frank comments on the wisdom of some of the debaters' remarks, but succeeded in maintaining control of the meeting, although frequently two trustees would be on their feet claiming the floor at the same time.

The two chief points at issue were a change in the policy of the board with respect to the kind of new buildings to be erected and a question of placing the planning and erection of the school in the hands of an outside architect.

Change in Policy.
The change in policy respecting buildings was embodied in the first recommendation of the report, which called for "a complete unit instead of a wing to be built on the Glen Grove school site."

This was a radical change in policy, as the system had been evolved during the period of the phenomenal growth in population, of securing larger sites and erecting school buildings a wing at a time to meet the growth of population in each district.

The plans for the first wing of a large school for the Glen Grove site were prepared in due course, but the residents of the district sent a deputation to the board this spring asking for the erection of a complete school building. This was acceded to, and the board authorized a delegation from the board to visit London and Hamilton to report upon certain special moderate-sized schools.

Amount Available.
Trustee C. A. B. Brown, chairman of the finance committee, was not opposed to a unit school, but pointed out that twenty thousand dollars was the full amount available and he expressed doubts about a fully-equipped school adequate for 400 children of the Glen Grove district being erected for that sum.

The other twelve trustees present said they were in favor of the district having a complete school, but some of them would not vote to exceed the money available.

Trustee McTaggart attempted to procure an agreement by adding the proviso "provided that funds can be obtained." When presented as an amendment it was voted down by six to five and the erection of a unit authorized.

Vote Not Final.
Trustee McTaggart said that this vote was not final because the tenders would have to be within the seventy thousand mark to pass the finance board.

The other vital clause recommending that the school be erected on the Glen Grove site by an outside architect was voted down by a similarly close vote, seven to six.

The vote for an outside architect was: Dr. Caroline Brown, Dr. Noble, Miss Constance Boulton, S. Thompson, W. Hamblin and Mrs. A. C. Couric, 6.

For plans and the erection of the

Glen Grove school by the building department of the board of education, Dr. Hunter, Dr. Steele, Dr. Hopkins, Hodgson, C. A. B. Brown, Edmunds and McTaggart.

Other Recommendations.
The system to be adopted respecting ventilation was referred to Dr. Hastings.

Recommendations that the heating plant and coal space be placed outside the school building, and that no basement be placed under the school were adopted on close votes. Trustee C. A. B. Brown described the proposals as ridiculous and declared that they were objects to be the aidmen for Glen Grove district.

PLAYS PICTURES AND MUSIC.

Princess Opening.
"Seats for 'Tues' to 'Eight,' the widely praised comedy drama success which opens the new season at the Princess Theatre next Monday evening, will be placed on sale this morning. The play has been well advertised locally by playgoers who saw it during its long runs in New York and Chicago. The local engagement is to be played by the original New York company which appeared for a solid year at the Gaiety Theatre on Broadway. Matinees will be given Wednesday and Saturday.

"The Bird of Paradise."
Plays many comedies and plays go, but it seems as if "The Bird of Paradise," Richard Walton Tully's charming story of the Hawaiian Islands, will go on forever. It will be seen at the Royal Alexandra Theatre for one week, commencing Monday, Aug. 26. The chief theme of the play is the folly of marriage between the white and brown races and the tragedy that grows out of it. It pictures the life of the people of Hawaii. Reserved seats are being sold. Matinees will be Wednesday and Saturday.

Grand Opera Saturday Night.
The regular season of the Grand Opera House opens on Saturday night with a special performance of "A Daughter of the Sun," the latest Hawaiian play, which will also be the attraction for first week of the fair. The sale of seats for the Saturday evening performance and the following week is now open, and the same scale of popular prices which prevailed last season will remain in force. During the season the regular Wednesday and Saturday matinees will be given.

Next Week at Shea's.
Mme. Doree, well-known here for her presentations of grand opera stars, heads the bill at Shea's Theatre next week, when she will present "The Imperial Quintet." Olive Briscoe is inimitable. The clever character comedienne, has an entirely new supply of material. Bob Matthews and Company present "The Rounder of Old Broadway." Brooks and Powers have a number of the season's newest song successes. Kharum, the Persian pianist, in a varied repertoire; the Adams in their new sketch "The Boat Shop"; Rose and Moon in song and dance classics and the Parker brothers in unique hand-balancing feats complete the bill.

Law's Next Week.
"The Reason Why," by Ellnor Lyn, intimate portrayal of high society, is just the type of a story best suited for Clara Kimball Young, whose characterization of Zara, the heroine, will endow a screen classic. Valentine Fox, the versatile ventriloquist will feature the vaudeville, which will also embrace "Notre of the Movies," the Adams in their new sketch "The Happen," a comedy playlet, featuring Ricca Scott; Wood, Melville and Phillips in a snappy pot pourri of song and dance. The bill is completed by "Musical Comedy Monologues" and the Morton Bros., paperologists and harmonica experts.

At Shea's Hippodrome.
Virginia Pearson, remarkably clever William Fox star, was assigned to perhaps her most effective role when she was featured in the stirring drama of Russian life, "The Firebrand." The question which arose as to why Russia deserted, the side of the allies is most powerfully shown in this new release. The management has arranged a vaudeville bill of exceptional merit to surround the feature picture. The best singing and dancing acts, musical comedy and dramatic sketches and novelties of various kinds are included in next week's Hippodrome program.

eccentric comedy, succeed in making "Paris By Night," which will be at the Star Theatre next week, a production of more than ordinary comedy value. This team of funsters are irresistible in their comedy efforts.

"To Hell With the Kaiser."
For days this title has been appearing in the papers and thousands of people have said to themselves that, while they had never openly expressed it, they were in absolute accord with the sentiment. As a matter of fact, this is the title of one of the most soul-stirring motion pictures "founded upon the war" that has ever been produced. This wonderful picture will be shown the week of Monday, Sept. 2, at the Regent Theatre.

Fine Film at Strand.

A picture of surpassing worth, of absorbing interest and of baffling mystery is the fine Paramount feature, "The Kaiser's Shadow," which will headline the bill at the Strand Theatre for today and for the balance of this week. Dorothy Dakon, is the star of this production, and she has a role which gives the very fullest scope to her inimitable artistry. For the latter half of the week "Fatty" Arbuckle.

Fairbanks at the Regent.
Douglas Fairbanks, in his most sublime motion-picture production, "The Half-Breed," will be the thrilling feature at the Regent Theatre all next week. This story is considered by Fairbanks himself as the greatest picture of his kind in which he has taken the stellar role. It is a gripping narrative full of moments so tense, so exciting, so absolutely and genuinely interesting that an audience is held enthralled in its magic grasp while it is being told.

Fine Drama at Madison.
A very unusual love theme is that of "A Gentleman's Agreement," the Vitaphone Blue Ribbon feature which starring Neil Shipman and Alfred Bruce, will be seen at the Madison Theatre today, tomorrow and Saturday. It turns on the application of an ancient law making a man a slave to one who saves his life.

"The Man Who Came Back."
Four hundred and eighty-three performances in New York was the record established by "The Man Who Came Back," which will come to the Royal Alexandra Theatre, the week commencing Sept. 2. The play is by Jules Eckert Goodman, and was founded on a short story of the same name by E. Nesbit. William A. Brady is the producer. Harry Hull will head the company. Seats will be placed on sale next Thursday.

The sale of seats will commence this morning at the box office of Massey Hall for the entire engagement of the latest Griffith masterpiece, "Hearts of the World." In addition to moving the film Meers, Allen have arranged with D. W. Griffith to bring back the original "Birth of a Nation" orchestra.

WOMEN WILL CANVAAS.
"Sailors' Week," which will be held in Toronto from September 1 to 7, under the auspices of the Navy League of Canada, will be shared in by the women's organizations of the city who will have an active part in canvassing in aid of the dependents of the men of the Mercantile Marine. The district assigned to the women is bounded by Gerrard, College and Dufferin streets. Mrs. G. R. Baker, organizer, has 82 captains who will work under her and their willingness of response gives fine promise of success.

ITALIAN TAG DAY.
Today is Italian Tag Day, when Toronto citizens will show their appreciation of the part played by the Italians by adding the tag workers.

RECIPES FOR MAKING BISCUITS AND MUFFINS

Continuing her demonstrations which are being given under the auspices of the Local Council of Women, Mrs. Essen Reid yesterday afternoon spoke to the women assembled in St. Andrew's Institute on the methods which may best be followed in the conservation of wheat. A summary of the advice given was to use corn meal and rolled oats for breakfast. These used alternatively with some simple hot dish with bread and butter or jam will make a very fair breakfast.

The making of light biscuits, muffins and apple sauce cakes were demonstrated.

Light biscuit: 1 cup rye flour, 2 cups whole wheat, 1-2 teaspoon salt, 2-3 heaping teaspoon baking powder, 3 tablespoons shortening, 1 egg, 1 cup milk to make a ball of dough.

Method: Put sifted dry ingredients into a bowl, rub in thoroughly shortening, cut in liquid with a knife until the whole forms a dough. Roll out on a hard, 1-2 to 3-4-inch thick; cut; bake in a hot oven.

This recipe may be varied by using white flour with rye or by using all white flour.

Roll out thin this biscuit dough makes a delicious crust for fresh fruit pies.

Muffins: 1-2 cups flour (this may be 1 cup white flour, 1-2 cups corn meal scalded with 1 cup boiling water) or 1 cup whole wheat, 1-2 cup rye flour or 1 cup whole wheat, 1-3 cup bran, 1 cup milk, 1-2 teaspoon salt, 1-2 cup liquid (sweet milk, or sour milk with 1-2 teaspoon soda); 3 tablespoons oil, 3 tablespoons brown sugar (or less); 2 eggs.

Method: Cream oil and sugar, add beaten eggs, next a little of the sifted dry ingredients; mix well; add finally the liquid and remainder of dry ingredients alternately; beat thoroughly; bake in muffin tins; a moderate oven, 20 to 25 minutes.

"Fresh as new, my dear— and I washed it myself"

"It's my old georgette—another tussle with the washer-woman and I believe it would have fallen to pieces. So, of course, as we must all make the old things do and save our money for Victory Bonds, I thought I'd wash it, myself, with Sunlight. Or rather—let Sunlight wash it, for there's no need of any rubbing—just soaping and rinsing. And see— isn't it just lovely? Fresh as new, isn't it? I'm delighted."

Sunlight Soap

The purity of Sunlight is such that it will not fade or discolor anything washable—it contains absolutely no fillers or adulterants—it is the most economical soap your money can buy. It's all soap.

WOMEN'S WAR WORK PRAISED BY PREMIER

Congress at Paris Receives Remarkable Tribute From British Leader.

Paris, Aug. 21.—The British prime minister, David Lloyd George, pays a remarkable tribute to the women's work in the war, in a letter addressed to the Inter-Allied Women's Congress, regretting that he would be unable to be present at a mass meeting held tonight.

"I am anxious to bear testimony to the tremendous part played by the women of England in this vital epoch of human history," writes the premier. "They have not only borne their burden of sorrow and separation with unflinching fortitude and patience, but they have assumed an enormous share of the burdens necessary to the practical conduct of the war."

"If it had not been for the splendid manner in which the women came forward to work in the hospitals and munition factories, in administrative offices of all kinds, and in war work behind the lines, often in daily danger of their lives, Great Britain and I believe, all the allies, would have been unable to withstand the enemy attacks of the past few months. For this service to our common cause, humanity owes them unbounded gratitude."

Women Understand.
"In the past I have heard it said that women were unfit to vote because they could be weak when it came to understanding the issues and bearing the strains of a great war. My experience in South Wales last week has confirmed me in the belief that the women there understand perfectly what is at stake in this war. I believe that they recognize as clear-
