lacadam Laid From Parliament to Sherbourne -Grading Going Strong.

Since the work of completion of the or street viaduct roadway between Sherbourne and Parliament streets was resumed by the works department three weeks ago good progress has made. The first layer of macam is now laid almost the entire ngth of the first section from Parlament street to Glen road subway.
Two additional layers—a middle and
top surface—will be laid and rolled oday, and this section, it is stated, will be completed on Saturday.

Work of widening and straightening out the curve on the section west of the subway to the head of Sherbourne street is now proceeding. The basin of the curve, the work of filling, which was commenced ten days ago, is

feet wide from the track allowance to the edge of the ravine. Big Gangs.
A gang of thirty laborers and foureen teams are engaged in the work. teen teams are engaged in the work. The teams are employed drawing the crushed stones from the cars at North Toronto station required for the road-ted. There is an ample supply of crushed stone and other material on hand to finish the job, and the road-way should be ready for wheeled traf-fic, according to an official statement,

now almost filled up level with the top, making the roadway nearly 28

n less than one month. The grading work also being carried out at the corner of Parliament and Howard streets should be com-pleted today, when a clear view of the approach to the intersection will be had from this point.

JURY ASKS BETTERMENT OF WOODBINE ROADWAY

The jury, presided over in the morgue last night by Coroner Plews, suggested in their verdict that the roadway on Woodbine avenue, north of Danforth, should be paved. The inquest was to investigate the death of Oliver Crewe who was trampled to death when he fell from a wagon on which he was riding. The road on Woodbine avenue, according to evidence submitted, was in bad condition, and the wagon striking a hole in the roadway is said to have resulted in Crewe being thrown from the wagon. A verdict of accidental death with the above suggestion was

The poorly lighted and badly paved condition of Woodbine avenue is also a cause of considerable complaint among the residents.

GOVERNMENT TO GO ON WITH SHIP WORK

Minister of Marine Will Announce Today Understanding With Steel Company.

Montreal, July 10 .- Official anouncement, it is learned, will be forthcoming tomorrow from Hon. C. C. Ballantyne, minister of marine and fisheries, as to the details of the understanding on which the Dominion Steel Corporation is to proceed with 250,000 ton ship plate contract for account of the Dominion government.

Directors and officials of the com-

pany, who have been in negotiation for the past two days with the miniser at Ottawa, returned to Montreal today. While refusing to discuss the result of the several conferences, pending the official declaration by the minister of marine, it was learned that satisfactory agreement having been arrived at, and that building operations on the big plate mill at Sydney would be resumed forthwith.

What modification was made in the original price of \$4.15 per hundred pounds for the ship plates was withheld by the Steel Corporation officials, who, as previously stated, declined to give out any information until Hon. Mr. Ballantyne had made his official
