Flynn's Homer Wins Second - Buf falo and Providence Break Even -Royals and Bronchos Win-Foxen and Sullivan Engage in a Scrap---Will Foxen Be Expelled?

Toronto corralled yesterday's doubleeader from Newark in two of the nicest games seen here this year. The locals had a margin of two in each contest, the scores being 4 to 2 and 6 to 4, respectively. Incidentally Buffalo's coffin received another nail in the lid.

The first affair was a pitchers' battle The first affair was a pitchers' battle between McCarthy and Rudolph, with honors in favor of our Dick. True, Rudolph was touched up for one more safety, but they were so mixed up as to cause the least damage. On the other hand, the locals made every hit but one count, and that was in the seventh, when Hurley was nailed trying to stretch a double into a triple.

game by forcing Stanage.

In the second game McGinley just pitched three balls the first inning, Engle and Mahling flying to Wiedy, who made a great one-hand stab of Mahling's liner. Cockman flied to Wotell. Sharpe and Zacher singled in the second, but the needful was lacking.

In the fifth the Sailors took the lead, scoring three, one of which was a gift.

The Pets started scoring in the first nning. Schaffy was passed up, with Wiedy disposed of. Crooks singled and Phyle's bounder to Sharpe advanced the

runners a peg nearer home. With two strikes on Flynn, Schafly stole home, while Crooks purloined third. Flynn was safe on Mahling's error, Crooks scoring. Flynn was caught stealing.

The Sailors annexed their first in the third, when Stanage was given free trans-portation, going to a sack from home on McCarthy's single to right, and crossing

McGinley and Southside Wiltse were the opposing twirlers in the second. The former was in bad at the start, but, thanks to sensational fielding, no registers counted, and as the game progressed he grew better. It was the opposite with Wiltse, the ePts counting two in the second, and, with the score 4 to 2 in the second, and Mahling singled. Hurley threw to centre in an effort to catch Engle off second, the runners moving up a peg. Cockman fanned, but Mullen slashed out a double to left, sending in Engle and Mahling. Sharpe failed to get

Hurley was given free transportation, while McGinley forced Wotell at third, but counted Frick. Then Flynn drove the first ball pitched to the centre-field tence for a complete circuit, putting the Leafs one to the good. Frick failed, but Wotel dupled over third. Hurley singled, ad-McCarthy's single to right, and crossing the platter on Engle's fly to Wotell.

The visitors looked dangerous in the fifth, when Jones and McCarthy singled, while Stanage, in between, flied out to Phyle, but Engle hit into a double.

Toronto tallied two in the sixth. With two down, Phyle singled and purloined second. Flynn was issued a charity, while Frick's single to left sent in Phyle, Wotell smashed a stinger down to deep second, Flynn coming home, but Frick's seasond. Flynn coming home, but Frick's seasond as the plate.

Boston Zingaris Behind Five Wickets and Eight Runs Play To-Day at Mimico.

The touring team of cricketers known as Boston Zingaris lost their match to Rosedale yesterday by 8 runs and 5 wickets. Coleclough 32 (not out) for the visitors, and Astley 18, and Bugweiser's 23 for the home team, all in the first inning, were high. The fielding on

both sides was snappy and helped to keep down runs. The score:

Gulred four heats, because all the starters were pretty well matched. The event of the day, the Roger Williams Stake of \$5000, 10r 2.12 trotters, attracted a larger crowd than marked either of the first two days, about 7000 being present. Highball and Sonoma Girl were both entered and the withdrawal of the latter was a great disappointment to the spectators. Just before the race it was announced that Sonoma Girl was in no condition to do any racing.

any racing.

As was then expected, Highball trotted away from the field, getting both heats with very little trouble, tho Geers' gelding traveled very lame. The feature of this race was the fight for second money between Athasham, Wilkesheart and Berleo.

The first race, 2.20 pace, with eight starters, was won by Laura Beilini in straight heats. Both heats were hotly contested by the mare and Hoy. Laura Bellini won by parrow margins. staters, was won by Laura Beilini in straight heats. Both heats were hotly contested by the mare and Hoy. Laura Bellini won by narrow margins.

The third race, 2.04 class, for pacers, was a puzzle. Ardelle, Argot Boy and Kruger all looked like first money. Four heats were necessary to decide this event. Ardelle led all the way in the first heat, with Gruger and Argot Boy fighting it out neck and neck for second place. Kruger finished about a length behind Ardelle. In the second heat Ardelle and Argot Boy traveled neck and neck, with Kruger and Rudy Kip two lengths behind. Kruger took the heat with Rudy Kip second, and Argot Boy third. Geers with Ardelle finished a fair fourth. In this heat Argot Boy showed better form. In the next heat Kruger took the lead, but broke at the three-quarter mark, giving way to Argot Boy, who finished first. Ardelle succeeded in getting second place. At this point the mare seemed to go lame, which was more noticeable in the final heat. Only the heat winners started in this heat. Argot Boy at once took the lead and was never headed. He was two lengths ahead of Kruger, which in turn was two lengths ahead of Kruger, which in turn was two lengths ahead of Ardelle.

The last race on the card went to Thornfield, the conceded favorite, after a game fight, in which Zaza and Wildbell figured. The summary:

As to the challenge to play in Toronto, it is quite absurd. Why should Brussels, the winners, go 120 miles in a crowded exhibition excursion train to meet the vanquished, who are within 25 miles of Toronto? The game for the Ontario Cup is over, but if the Green River supporters want a game at Gait or Berlin (being central points), upon sporting terms, Brussels will be pleased to meet the Green River team and repeat the victory.

The Chicago Wanderers' Cricket Club arrived in the city yesterday to continue their list of tour fixtures, the remaining games being as follows:

Thursday—Toronto, at Varsity.
Friday—Asylum, at Mimico.
Saturday—At Hamilton.
Monday—At Rosedale.
Tuesday—At Guelph.
John Campbell, the old Varsity baseball player, is a member of the team, and is now a demon bowler. Mr. Campbell has made a success of law in the Windy City, and thereby believes in Chicago and United States institutions.

The management of the Capital team are likely to take action against the Tecumseh Lacrosse Club, says a despatch from Ottawa, unless that organization comes to time regarding the return exhibition match to be played in Ottawa. Early in the season an agreement was made by which the Caps and Tecumsehs were to play two exhibition games during the playing season of the N. L. U. The Caps carried out their part of the agreement, playing the Tecumsehs a game early in the season in Toronto. Recently Secretary Foran wrote Manager Querne, who in answer stated helwould lay the matter before the Tecumseh executive, and stated that the Indians would play the Capitals when they got good and ready, and not before. Now the Capitals ask for Labor Day, it being their only open date until the end of the season, but the Indians have sent no answer to this request.
