31	Fri.	5 0	7 12	9 6	William Penn died, 1718.
				9 37	Andrew Johnson died, 1875.

Sarsaparillian and Pills renovate and restore health.

Radway's Pills regulate the bowels to healthy action.

with them. I visited the celebrated Springs of Bath, also the German Springs at Baden-Baden, and returned to this country still UNCURED.

I met a gentleman in Paris who lives in Montreal, Canada. He told me that you cured a friend of his. I called at your office in the early part of 1863, and commenced using your Renovating Resolvent and Pills, and bathed my limbs, that were drawn out of shape by Rheumatism, with your Ready Relief. The first application of Ready Relief stopped the pain and enabled me to sleep well. In the course of a month my appetite improved, and my blood became purer and better. This gave me hope. I continued to use Sarsaparillian Resolvent; with every bottle some new indication of improvement would follow, and twelve bottles, with the Pills and Relief, cured me. Not a sore or ulcer has appeared since. I have now two children—one over two years and the other six months. They are healthy, have never been sick, and not the least vestige of the taint of disease has shown itself. So I am well convinced that the virus of the old uncured syphilitic disease was completely eradicated from my system, as well as the mercury from my bones, for I never feel the least pain, even when getting wet. I keep my system healthy and regular by taking two Radway's Pills twice or three times per week, and in the Spring and Fall take a bottle or two of the Sarsaparillian Resolvent. This is all the tax I am called on for doctor's bills.

Your friend forever,

R-N-R-CH.

Ready Relief checks Diarrhoea.
