

## Poor Bicycles

Are Dangerous

Not only to your physical welfare, but to the peace and amiability of your disposition. It's the "little things" that count—you can only break your neck once—but bruised shins and a warped t-mper are the result of the little derangements always occurring in inferior wheels.

We guarantee each of the wheels we handle, and assure you that our 98 patterns are up-to-date in every respect and are not only trustworthy, reliable and handsome, but low in price.

## NOW FOR TANKARD FINALS WILL HAVE THE FIGHT, THEY SAY

## THE 15 CLUBS TO MEET THIS MORNING FOR FIRST ROUND.

A New Lot of Curriers-Toronto Granites Play Fort Hope at the Victoria and the Caledonians meet Lakefield at Prospect Park—Lieutenant-Governor Kirkpatrick will present the Tankard to the winner.

Representatives of all the group champion clubs of the Ontario Curling Association were called together last night to make the draw for the first round of the tankard competition. The draw was made in the different city risks, and the results were as follows: The first round was substituted. It is almost an entirely new hospital, only one club, the Toronto Granites, being in the lot that competed last winter in the finals. Play begins sharp at 9 o'clock to-day. The complete drawing for the four rounds:

- 1—Nagara Falls v. Victoria, north.
- 2—Fort Hope v. Toronto Granite-Victoria, south.
- 3—Ingersoll v. Pergus-Victoria.
- 4—Meaford v. Scarborough M.L.—Granite, north.
- 5—Bellevue v. Seneforth-Granite, middle.
- 6—St. Mary's v. Orillia-Granite, south.
- 7—Dundas v. Thamesville-Prospect, east.
- 8—Lakefield v. Toronto Caledonian-Prospect, west.

The consolation begins this afternoon, the losers of No. 1. The consolation of No. 2. The winners for the tankard meet in the second round, and so on down the line, and thus the final will be between the two survivors of the top and bottom divisions. Ice for the second round and first consolation remains the same except that the winner of No. 4 goes to the Victoria, and the loser of No. 5 must play to the Granite.

The trophies and officials will be decorated with gorgeous badges. The umpires are: Grant, W. Badenach, Victoria; John Wright, Prospect; and John Wright, Prospect. The final will be played to-morrow afternoon at the City Hall, where the Lieutenant-Governor Kirkpatrick will present the Tankard.

Among the clubs that have showed up strong in the primaries, and are looked on as likely winners are the Toronto Granites, St. Mary's, Orillia and Dundas, but then it's a slippery game.

**The Winnipeg Bonspiel.** Winnipeg, Feb. 12.—The bonspiel events were rushed through pretty well to-day, but not so fast as expected, the weather being too cold to utilize the first sheet of outside ice. Among the mighty fallen are Keelson of Fort Williams, who went down before the prowess of Courtney of Portage. Rinks from St. Paul and Duluth arrive to-day to play to-morrow.

**Ice Skating.** Toronto Church School hockeyists defeated the Hurons by 5 goals to 2 on the school rink.

Owing to the thaw and snow the first part of the week East Toronto's bonspiel has been abandoned. Prospect Parkers will be open to-night to meet clubs that unfortunately got knocked out in the first consolation round. Messrs. O. E. Rice of the Granites and D. Carley of Prospect Park play their Walker Cup match at the Granite to-night. Osgood-T.A.C. hockeyists could not get out to Stratford to play their match, and it was accordingly postponed until Monday.

Prospect Park visited the Granite rink Tuesday and won an eight-rink friendly match, played at night and evening, on soft ice, by 72 to 65.

George N. Matheson of the Sarala Club, president of the hockey union, made the first arrivals for the Tankard finals. He had the honor of making the drawing. The winners from the consolation round, Bowmanville at Bowmanville Monday night and Whitby at Whitby Tuesday night and Upper Canada College Saturday afternoon. Richmond Hill hockeyists played on Thursday and Friday of this week for the Kelly Cup. Among the competing rinks are the Scarboro, Markham, Ben Davis, Little Yorkers, Stouffville, Aurora and Thornhill.

The following team will represent the Crawford in their hockey match with the Hamilton tonight: Lattley, goal; McMillan, point; Leckie, cover-point; forward, McMillan, McGee, Orr, McMillan, Spangman, T. Marshall.

**A HANDICAP SENSATION.** Wolsey won according to report, but the judges said Langlands.

New Orleans, Feb. 11.—The handicap furnished quite a sensation and caused a lot of kicking. The race was run on the grounds that did not think Wolsey had by an open length. Wolsey finished on the outside. The judges, however, thought Uncle Jim, and Langlands noses apart on the inside, and the result was a tie. The judges understood that more than the public had understood. The horses ran in a close bunch to the straight with Wolsey trailing in the field, where he moved up and took the lead at the end of the race. The judges placed them as above. Williams on Kensington gave the race away right at the wire by going to the wire with his nose winning easily, allowing the horse to arrive at the end of the race with a bad day. Lochlainn and Chicot being the only winning favorites. The starting was fair.
