Dear Sir:
I wore your Appliance one year and was surprised, needless to say, pleased, to find that I was cured. Two years have now elapsed without my wearing or using anything even while doing heavy lifting, and there are no signs of its return. You now have my heartiest thanks and recommendations. Dear Sir:
I am thankful that I can say my rupture is entirely healed up. I used your Appliance about a year and a half. I do all kinds of farm work, lifting heavy stones, etc. I wish to thank you from the bottom of my heart. No one, but those who have rupture, knows the relief and satisfaction there is in realizing that it is a thing of the past.

Pleased With Result.

Thorold, Ont., Can.
Mr. C. E. Brooks, Marshall, Mich.
Dear Sir:
My boy was ruptured when he was about two years old. I tried a couple of trusses from local doctors without much success. About five years ago I sent for one of your Appliances, and I never notice the rupture come down after he wore it. When it was worn out (about a year ago) he discarded it, and has not since been troubled. He is now 11 years old, skates, plays football, hockey and all kinds of games, without trouble, for which we are very grateful.
MRS. HUGH GRANT.

Cured by the Brooks Discovery

From the battle front in Europe comes a letter written by Private John Carter, whose home address is No. 2 Shaw View, Flixton, telling of his complete cure of rupture from wearing the Brooks Appliance.

C. E. Brooks.
I received your letter by first post this morning. I beg to thank you for your Appliance, which was instrumental in the way it cured me of my rupture. I have now been in Kitchen's army seven months, and I have gone through all the training, and I have never felt anything and do not have the slightest trouble. I remember when I passed the doctor he remarked: "There is nothing wrong with you, young man; you are in the best condition," and he sounded me all over, and I again thank you for the same, and I give my consent to use my letter as a testimonial to anyone, as I have been cured. Hoping you and your firm much success.
Yours truly,
C. E. Brooks.

Thorough Satisfaction—Worth Ten Times Its Cost.

Peterboro, Ont., Can.
521 R. 2 Street.
Mr. C. E. Brooks, Marshall, Mich.
Dear Sir:
I am delighted to tell you of the thorough satisfaction I have had with your navel rupture Appliance. I bought it from you eight months ago, have worn it ever since, and now I am perfectly cured—no signs of rupture whatever. I would have willingly paid ten times what you charged for your Appliance for the cure I now enjoy. I am writing this testimonial so you may use it if you see fit for the benefit of others, as there are so many humbugs. This is written of my own free will, and I take pleasure in recommending your firm as being entirely reliable.
HARRY LONG.

Wouldn't Take \$100 for Appliance.

Dear Mr. Brooks—I am pleased to write you and let you know what your Appliance has done for me. I think I am all right now, as I have not seen the first sign of it since last fall. I can now run, jump and lift all I like, and I would not take \$100 for it if I could not get another. I do not wear it except when at hard work. Your Appliance is just as good as ever. You can use this letter as you like for the benefit of others.
Yours sincerely,
GEO. KENNEDY.
