GUELPH, Sept. 11.— Church League baseball has become all the rage in this old-time basebal itown. St. John's Catholic and the Baptists have for over a month now been unable to decide which are champions of the season. They have already played two games, both of which were meant to decide to whom the honors belonged, but both these ten-innings games ended 5—5. Tonight they played again, and this third these ten-innings games ended 5—5. Tonight they played again, and this third
effort ended in a row that looked at
one time as if it would develop into a
regular free fight. There were over
300 people on the grounds, and the game,
was as good as the ones that preceded
it until the Baptists began to get a
lead and St. John's players and supporters surrounded the umpire and refused to play any longer because of
the darkness. They demanded that the
game should be called a tie, tho the
Baptists had twelve to their nine runs
in the last of the sixth. The umpire,
who was an Acton mar, made good
his escape, while two of the local
police force had considerable difficulty
in maintaining order; as it was there
were a few nasty blows exchanged and were a few nasty blows exchanged and a few stiff hats ruined. A most deplor-able wind-up to a good Church League

this year, the first time in the history of fanciers in Canada. The first will be from Brampton Fair on Wednesday, Sept. 23; distance 21 miles. The cntrance fee per bird is ten cents and the association guarantee \$25 in prize money. For this race all entries to be made by Tuesday evening, Sept. 22, the night before the fly. A large meeting will take place next Wednesday, Sept. 16, at Scholes' Hotel. This is the day of the great race from London Western Fair. All fanciers are invited to attend. There will also be races from Paris, Berlin and Ailsa Craig. All of these events are for pigeons of all ages and open to any fanciers residing in Toronto.
