

## SIR WILFRID MEETS MORE GOOD THAN HOSTS OF FRIENDS EVERYTHING ELSE

Liberal Leader Had Busy Day  
Conferring With Sup-  
porters Here.

### GATHERING OPINIONS

Representatives of Party From  
Western Ontario Among  
Visitors.

Sir Wilfrid Laurier spent a very busy day yesterday meeting old friends in the suite at the King Edward Hotel and conferring with supporters with them. He looked to be in the best of health and spirits and had a smile for each of those whom he greeted. A woman visitor was heard to remark: "He looks younger and more handsome than ever," and this greatly delighted those who are in company with the leader.

Beyond the fact that Sir Wilfrid is getting the opinions of his Toronto supporters to his visit, it was stated. Nevertheless, he had a lengthy session with N. W. Rowell, K.C., in the morning and a little later, Hon. George P. Graham, who accompanied Sir Wilfrid from Ottawa, joined the conference.

All day a steady stream of visitors found their way to Sir Wilfrid's quarters as many as 100 being admitted in the morning alone. Fully as many more saw him in the afternoon, and in addition, others again during the evening.

Among those who called were N. W. Rowell, K.C., M. L. A., James H. Spence, Hal B. McGivern, Ottawa; William M. Gorman, Wellesley; Walter Curry, K.C.; Dr. J. Hunter; W. H. McGuire; W. H. Adams; A. J. Young, North Bay; and candidates for Nipissing and present Liberal candidates for Ontario; J. C. Foy; Frank Regan; J. B. McCall, Cobourg, and John Har- kins.

**Ontario Liberals Arrive.**  
In the afternoon a large party of western Ontario Liberals, representing liberal organizations in London and other centres, arrived.

An urgent desire to have Sir Wilfrid continue his tour of the province, in the minds of those who met him, and this thought found expression in the little group of admirers who stood in the corridors of the second floor adjacent to Sir Wilfrid's rooms. If he acts upon the advice which, as far as can be learned, was given him by all who spoke to him, Sir Wilfrid will continue as "chief" during the coming campaign.

A break in the day's routine was a motor trip around the city which P. C. Larkin, Sir Wilfrid's host, arranged. It was quite brief, however, and was followed immediately by more conferences with party representatives.

No formal program has been provided for the visit which will extend until Thursday. The party will be the guests of the Ontario Club at luncheon today.

### ON PERSONAL BUSINESS.

Leader of Provincial Opposition Re-  
turns From Western Trip.

N. W. Rowell, leader of the opposition in Ontario, who returned from a western trip Monday morning, refused to discuss politics when interviewed last night. His trip west was on personal business entirely, he said, and he was unable to give any information regarding the political situation in the west. He was reticent also in regard to the proposed union government proposals, and refused to state whether he had been asked to become a member if such a government were formed.

### TENDERED FAREWELL.

An open meeting of Commercial Lodge, S. O. E., West Toronto, was held on Saturday evening last, attended by a large gathering of members and friends, who tendered farewell to Mr. and Mrs. John Holford of 21 Darcy street, who are leaving the city to reside permanently in California. Presentations were made in token of esteem and in recognition of Mr. and Mrs. Holford's twenty-five years of devoted service to the society.

### CANADIANS REPATRIATED.

London, Oct. 8.—The Canadian Press understands that in consequence of an agreement with the British government, Canadian prisoners repatriated are not to be employed on any front.

When repatriated they are sent to a hospital in England, and are then repatriated to being shipped to Canada, where they remain at the disposal of the authorities.

**DROWNING AT WASHINGTON.**  
Special to The Toronto World.  
Kingston, Ont., Oct. 8.—Today Thomas Martin, aged 30, fell into the Rideau Canal at Washington while fishing and was drowned.

He was unmarried, and is survived by his mother and one brother. The body was recovered shortly after the accident.

**RHEUMATISM**  
Needs Strong Medicine, Decided Syracuse Man Who Suffered 36 Years Before At Last He Found A Cure.

WILL SEND FREE TO ALL WHO SUFFER

"You can't cure Rheumatism with liniment, cheap urine and acid remedies, or by doing your stomach with drugs that either ruin the digestion or are so weak they do little more than scratch the surface of the disease," says F. H. Delano of Syracuse, N.Y. Rheumatism is deep-seated, hard to shake off for good, as everyone who suffers from it knows, and it needs medicine which, while harmless to the stomach, is strong enough to take right hold to do any permanent good.

Mr. Delano, who suffered from all the torturing, driving pains of rheumatism for 36 years, found at last a strong and harmless medicine compound that cured him. As he had no other remedy, he decided to try it. He took it all those years of agonizing soreness, pain and stiffness just seemed to melt away and vanish.

**WORTH TRYING.** If you suffer from rheumatism, let Mr. F. H. Delano send you a generous package of his great medicine. Don't send any money. He wants to give a package free to every one who needs it. Don't suffer another day from rheumatism if this package will end it, but write at once to F. H. Delano, 211 E. Syracuse, N.Y., and get your package right away. Because of the great expense, not more than one free package can be sent to an address.

That is What Tanlac Accom-  
plished in Case of Wm.  
Newington.

### BEST IN WORLD, HE SAYS

Hadn't Enjoyed Good Health  
in Ten Years—Feels  
Fine Now.

The merits of a medicine spread by testimony and this explains the phenomenal demand and widespread popularity of Tanlac. William Newington, who has been a citizen of Toronto for many years, and resides at 48 Reid street, in relating his experience with the medicine, says:

"I have just started on my third bottle of Tanlac, and it certainly has made a wonderful difference in my feelings. I have suffered with cold, pain of the head and throat and a general run-down condition for ten years, and while it seems to me I tried everything, my condition kept getting more serious, until I began using Tanlac. Sometimes the mucus would become so thick in my throat I could hardly breathe, and it just seemed like I would choke. I caught cold easily, my head ached, and always felt stopped up, and there was a buzzing noise all the time in my ears. My throat was raw and sore, and I was continually gagging and coughing up phlegm. My general health was, of course, affected, too. I was away off in strength and never felt like doing anything.

"My wife kept insisting until I finally got a bottle of Tanlac, and before I finished taking it I was feeling worlds better. I then got no time in getting another, and when I got through with the second bottle the soreness had almost left my throat, and the mucus just seemed to disappear. I am now on my third bottle, and I really feel better than I have in years. My headaches are gone. I breathe easy and rest well at night. My strength has increased remarkably, and I get up in the mornings feeling fine and go about my work in good spirits. I have already picked up four pounds in weight, and my wife and I are both happy over my improvement. I actually believe Tanlac is the best medicine in the world; at least, it has done me more good than anything else, and it's a pleasure to endorse such a worthy medicine."

Tanlac is sold in Toronto by Tamblin's Drug Stores and by one regular established agency in every town.—(Advertisement.)

### AUTHORITY FOR CHARGE WILL BE SUBMITTED

J. M. Skelton Will Give Reasons for  
Criticism of Associated  
Kin.

Officers of the United Council of Ratepayers' Association will meet today for the purpose of investigating the statements of J. M. Skelton made at a meeting of the association in the city hall on October 3, when he criticized the aims and methods of the Associated Kin of the Canadian expeditionary forces. As a result of these remarks, Hamilton Cassels, K.C., president of the Associated Kin, has made public a statement in which he denies the allegations made and intimates that Mr. Skelton was not in possession of the true facts relative to the organization when he made his statement. At the meeting today Mr. Skelton will submit authority for his remarks and a reply to the statement of Mr. Cassels will be drafted.

The members of the Ratepayers' Association being interested in all matters pertaining to the welfare of the citizens of this city, will look into the matter thoroughly. It is in the hands of a committee for investigation and there is evidence that the statements of Mr. Skelton were founded on facts the matter will be taken up with the attorney-general.

"The Coward," one of Robert Service's finest poems, was recited eloquently by Mrs. Barron, and "Miss McLeerie's Country Experience," given by the inimitable Jessie Alexander, was conceded a great success. ## CANADIAN CHILDREN ARE SAVING PENNIES

More Than Third of Million Hoarded  
by Pupils of Public and  
Separate Schools.

That juvenile Canada is following in the footsteps of adult Canada in saving its pennies for the prosecution of the war, is borne out by the savings list compiled and recently distributed by the Canadian educational authorities. On June 30 of this year the grand aggregate in savings hoarded by the pupils of Canadian public and separate schools, thru the medium of the penny bank, stood at \$383,653. This sum was contributed by 49,129 pupils throughout Canada. In this grand aggregate Toronto stands on the pinnacle with a total collected of \$221,118.59, from 38,572 school accounts, sent in by 44 schools. In the Toronto department, Dewson Street School heads the list with 743 accounts and \$6,012.74 since the inauguration of the penny savings bank system in Toronto. Frankland School comes next with 950 accounts and a total of \$5,399.45. In the contributions for May and June of this year, the highest average deposit per pupil, 53 cents, was paid in by the School of St. Vincent de Paul. Park School came next with 51 accounts per pupil, 47 cents, and the old in Toronto is 37 cents. During May and June, 1916, Toronto schools deposited \$15,240 and \$9,752, respectively; in 1917 the sum was \$18,004 and \$11,093, respectively. The average account per pupil throughout Canada is 25 cents.

In an extract from a circular issued by the department of Education for Ontario, Dr. Pym, minister of education, expresses his appreciation of the devotion of the teachers in inculcating into the minds of their pupils the desire to be thrifty.

### TORONTO BOY SCOUTS HAVE ALL-DAY OUTING

Five Hundred Spend Thanksgiving  
Day at York Mills in Motor  
Rally and Sports.

More than 500 members of the Toronto Boy Scouts had an all-day outing at York Mills yesterday, the program including tactical manoeuvres, a scout rally and sports. In the tactical scheme the scouts were divided into an attacking force, distinguished by red armlets, commanded by J. Garfield Gibson, and a defending force, wearing white, under G. D. Adams. The defenders were given the task of preventing the enemy from reaching a Union Jack "fort" on Mrs. Boulton's property at York Mills. The attacking force was declared victorious. Only six of the enemy force succeeded in reaching the flag, the rest of the attackers being practically all being taken prisoner. The manoeuvres lasted from 10.30 a.m. to 1.30 p.m. After a military lunch the scouts gathered at Major Usher's property for the scout rally and the program of sports. The scouts' Thanksgiving Day manoeuvres were witnessed by H. G. Hammond, provincial secretary of the Ontario scouts.

### ALLEGED CAR THIEF CAUGHT.

Murray Rash Arrested on Charge of  
Taking Car From Bowling Green.

Sixteen-year-old Murray Rash, 153 Manning avenue, was arrested last night by the police on a charge of theft of a motor car from Murray Coates, 184 Galloway avenue. The police say that Coates left his car outside a bowling green on Dovercourt road, and that while he was in there three boys attempted to steal it. When he came out of the bowling green he said he saw the boys trying to start the engine of the car. When the boys saw Coates running after them, they jumped from the car and fled up the street. He captured Rash, but the other two made good their escape.

### A SURE TEST.

That man is so honest he wouldn't steal a pin, said the admitted thief, I never thought much of the pin test, answered Miss Cayenne. Try him with an umbrella!
