

Parmelee's VEGETABLE NEW PILLS

Will Cure Liver and Kidney Complaints, Dyspepsia, Costiveness, Headache, Purify the Blood and Regulate the Secretions, Remove all Bilious Matter and Prevent Ague.

DR. PARMELEE'S NEW VEGETABLE PILLS differ from all others now before the public in their composition and effect upon the system. Based upon the most scientific principles, and made from Roots, Herbs, and Solid Extracts which have specific virtues truly wonderful in their action upon the Liver and Kidneys, such as Mandrake and Dandelion, found in this country; while others, equally as potent in regulating the secretions and purifying the blood, etc., are found only in Spain and other countries. Thus we see that Nature in her wise providence has provided a valuable catalogue of plants all over the land, specific in their very nature for the cure of certain diseases. In this scientific combination it is found that PARMELEE'S PILLS possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In this lies the great secret of PARMELEE'S NEW VEGETABLE PILLS.

Fever and Ague and Bilious Derangements are positively cured by the use of PARMELEE'S PILLS. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body.

Out of Sorts.—Symptom—Headache, loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develop into acute diseases. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctors' bills. For this complaint take from two to three of PARMELEE'S NEW VEGETABLE PILLS on going to bed, and one or two for three nights in succession.

In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body.

For Inflammation of the Eyes, Eruptions of the Skin, Rough or Pimply Face, take from one to two pills regularly for a short time, which will reduce the inflammation and give a smooth and healthy appearance to the skin.

For *Delicate and Debilitated Constitutions* these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.
