

Positions as Teachers.

The demand for teachers is constantly increasing. While no guarantee is given, there is every assurance offered that those who do faithful work will find no difficulty in procuring lucrative positions at the completion of the course. The Principal of the School is frequently asked to recommend pupils, and is always pleased to render such assistance to those who are competent.

Graduates of this School are occupying prominent positions in various parts of Canada and United States, which fact is in itself a guarantee of the thorough instruction given.

Institutions desiring permanent or temporary teachers are requested to apply to the Principal, who will give such applications his earnest attention. As it is to the interest of the School that every teacher sent out should be successful, only those will be recommended who have proven their ability.

Method of Conducting the School.

Classes meet every morning in the week, except on Sundays and Mondays, from 9.30 a.m. to 12.30 p.m.

CLASS WORK.

The object of the class work is to give thorough exercise daily in the fundamentals of expression, under the supervision of experienced teachers. The pupil is thus prevented from falling into bad habits of voice, etc., and has the best possible means put into his hands of making progress on good and scientific lines. The instruction gained is carried on from day to day, and this, it can be readily understood, is a very essential point in all elementary training.

PRIVATE WORK.

In addition to the class work, every pupil receives a certain amount of private tuition, which is directed to his or her special needs. In this way no point in the student's training is overlooked; and by the combination of the two systems, class and private work, the pupil may feel assured of thoroughness in connection with his studies which could not be otherwise obtained.
