Doctor Says Nuxated Iron Will Increase Strength of Delicate People 100% in Ten Days

In many instances—Persons have suffered untold agony for years doctoring for nervous weakness, stomach, liver or kidney disease or some other ailment when their real trouble was lack of iron in the blood.—How to tell.

NOTE—The manufacturers of Nuxated Iron have such unbounded confidence in its potency that they authorize the announcement that they will forfeit \$100,000 to any Charitable Institution if they cannot take any man or woman under sixty who lacks iron and increase their strength 100 per cent. or over in four weeks' time, provided they have no serious organic trouble. Also they will refund your money in any case in which Nuxated Iron does not at least double your strength in ten days' time. It is dispensed in this city by Wasson's Drug Store and all good druggists.
