# The Great Eastern Sales Co

With an Immense Stock of

## BOOTS and SHOES

To be Sold in Only 6 Days

Store at 18 KING Street

The Great Eastern Sales Co. do things on a big scale.

This purchase of retailers' and jobbers' overstock is one of their biggest buys. A purchase of such magnitude and such phenomenal good fortune that I can sell you these boots and shoes at the most remarkably low prices ever heard of in your city.

This will be a sale of gigantic proportions and of unequalled opportunities—a sale that will block the wheels of competition—no store

can possibly cope with it—dealers pay more for shoes than the price I sell for.

I have only six days in your city. Stocks are arranged for quick selling and all plainly marked at my remarkable price schedule; 9c, 49c, 99c, \$1.49, \$1.99, \$2.49, \$2.99, \$3.49, \$3.99, \$4.49, \$4.99—Nothing higher.
