The resolution passed by the Saint John Presbyterian of the United Church of Canada in accepting the resignation of Rev. Dr. J. S. Sutherland, of Fredericton, from the position of clerk was as follows:

In regretfully accepting the resignation of Rev. Dr. J. S. Sutherland, D. D., secretary of this Presbytery of the United Church of Canada and formerly for a number of years clerk of the Presbytery of Saint John of the Presbytery of Saint John, we, the members of the Presbytery, desire to place on record our very high appreciation of his services. He has carried out the arduous duties of his office with great efficiency and general acceptance. He has displayed a wide and accurate knowledge of the rules and forms of procedure of the church and his opinions on intricate questions of ecclesiastical law have always been received with deference. He has demonstrated a remarkable capacity for work and his duties have been discharged with punctuality and despatch. In addition to all this at a critical time he accepted the chairmanship of the church union committee and the direct result of his campaign in the province of New Brunswick, which involved a vast amount of extra work and which he carried through with marked success. His relations with his brethren in this Presbytery have always been most cordial and since, by the action of the conference, he is now placed within the bounds of the Presbytery of Fredericton we part with him with keen regret.
