

A. R. MELROSE IS NEW PRESIDENT

Chosen Head of St. Andrew's
Society at Annual
Meeting

Church Service on Nov. 29 and
Dinner to be Held on Night
of 30th

A. R. Melrose was elected president of St. Andrew's Society of Saint John at its 127th annual meeting held last night in the society rooms in Germain street with the retiring president, C. B. Allan, in the chair.

The meeting received reports of the past year and made arrangements for the annual service to be held in St. David's church on Nov. 29. It was decided to have the annual celebration of St. Andrew's Day, Nov. 30, take the form of a dinner and a committee of the new officers and the old officers was appointed to make arrangements.

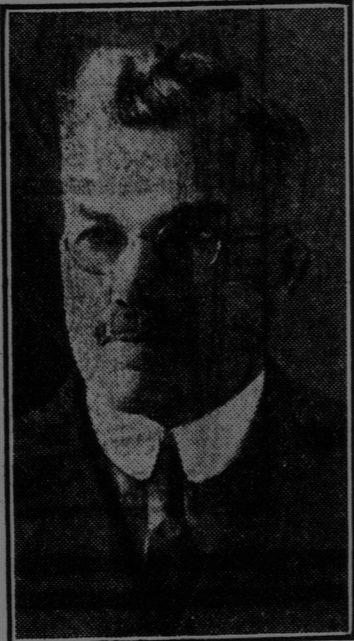

The election of officers resulted as follows: President, A. R. Melrose; first vice-president, A. E. Massie; second vice-president, J. Fraser Gregory; chaplain, Rev. Hugh Miller; historian, Alexander Wilson; treasurer, Alexander McMillan; secretary, D. Gordon Willet; committee on charity, John White; D. W. Ledingham and H. P. Rankine; auditors, W. L. Caldwell and William Vassie.

ENTERTAINED MEMBERS.
Mr. Melrose was host to the members at supper at the Admiral Beatty Hotel after the meeting and Piper E. B. MacDonald played the members to the hotel. Their march through the streets attracted much attention and when the feast was over the piper carried out the time-honored custom of playing the newly elected president to

Records Are Broken In Fair Attendance

AMHERST, Nov. 5.—Another 3,000 people passed through the gates to the Winter Fair building this evening, making a total of more than 15,000 for the four nights, surpassing all attendance records during the last 15 years.

IS ROMAN MEAL ADVERTISING TOO TECHNICAL FOR WOMEN?

A would-be critic said: "Roman Meal advertising is too technical for Canadian women." Like most critics he was expressing his prejudice towards, not his knowledge of, Canadian women. For two years, we have been telling mothers that refined foods like white flour, refined cereals, polished rice, while pretty to look at, are lacking in vitalizing elements, essential to young and growing bodies. We have been teaching that disease comes from "denatured," refined foods. We have been recommending more milk and eggs, leafy vegetables, fruits and Roman Meal.

Selection of proper food is the most important function of the mother or housewife. Canadian women know this and we have reason to know, Mr. Critic to the contrary, that thousands and thousands of women have learned from our "too technical" advertising that Roman Meal is the most valuable food in the kitchen for the family. Because of this "too technical" advertising, a new and more proper dietary is now the rule in thousands and thousands of Canadian homes to the great benefit of old and young, especially the young. Your grocer sells Roman Meal.

REPORT ON FAIR FOR ORPHANS RECEIVED

Proceeds Between \$7,500 and
\$11,000—Finances and
Other Matters

The directors of the New Brunswick Protestant Orphanage Board at their meeting last night were informed that the proceeds of the fair for the Orphanage recently held would be between \$7,500 as a minimum and \$11,000 as a maximum.

The board has already received \$6,000 as a first installment of the fair proceeds and the sum was acknowledged with gratitude. Dr. James Manning, vice-president, was in the chair in the absence of D. C. Clark.

The meeting was held in the Board of Trade rooms. It was reported that the sickness among the children in the British street institution was now happily abated.

EXTENDS SYMPATHY.

A resolution of deep sympathy to the relatives of the late Mrs. David McLellan and of regret in the passing of one who had been a member of the board for 35 years was passed unanimously. The members resolved to attend the funeral in a body.

With reference to finances it was said that the collections were being taken in aid of the home in all of the Protestant churches during the present month.

Last year all contributions totalled \$4,000 and this year it is hoped that the contributions from the churches will be at least doubled.

FIRST MEETING HELD.

The High School Alumnae held its first meeting of the season last night at the residence of the president, Miss Dorothy Sinclair, 161 Waterloo street. Mrs. Lord gave an interesting talk on New Zealand and the members greatly enjoyed hearing of that distant country. Miss Audrey Hunter rendered several solos.

Fifty Dollars a Month

(Guaranteed to you by the Canada Life)

How Fifty Dollars a Month looks to the Average Man

Age 20—Happy on Fifty Dollars a Month.

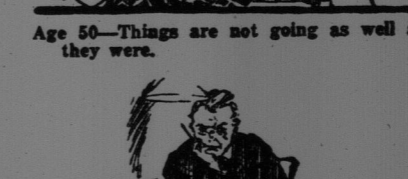

Age 21—Fifty Dollars a month is not enough.

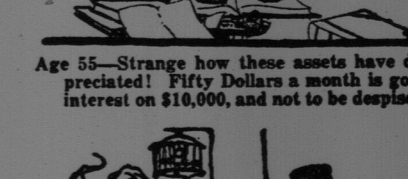

Age 25—Thinks he can easily afford to "spend" Fifty Dollars a month.

Age 30—Things are not going as well as they were.

Age 35—Strange how these assets have depreciated! Fifty Dollars a month is good interest on \$10,000, and not to be despised.

Age 40—He finds Fifty Dollars a month pension, added to what income is left, brings happiness.

You know of men well up in years who are still "drudging along." They cannot stop if they would, but must go on to the end of their days working for a living. You can avoid that.

Why Not Pension Yourself?

Why not "take stock" of your present financial position—to size up your personal affairs and decide on a plan for the future?

Our New Pension Plan

guarantees that upon reaching a certain age in life you will receive a monthly cheque for \$50.00, \$100, \$200, \$250—as you may now decide—and this monthly payment cannot cease as long as you live.

An Income for Life

Think what it may mean to you to be certain of an income right up to the end of life, when you consider that 97% of people in their later years are partially or wholly dependent upon others for support.

When they were younger they did not have the chance now offered you. It was not then possible to secure such a convenient and certain provision as this Monthly Pension Plan.

And This is Not All

Suppose some day before you reach age sixty you meet with a mishap and become totally and permanently disabled through accident, illness or any cause. (Such a thing has happened soon after men have secured this new policy of the Canada Life.) Immediately, the payment of further premiums would be cancelled. The Canada Life would become responsible for sending you \$50.00, \$100, \$200, \$250, a month, as arranged, for the rest of your life.

There are many other benefits. An average deposit of only a few dollars a month will return you \$50.00 a month later on.
