Prominent St. John Banker Transferred To Hamilton, Ont.

A. C. Skelton, Manager of Branch Here, to Leave Soon—He and Members of Family Well Known in Business and Social Life of City.

A. C. Skelton, manager of the Bank of Montreal, has been transferred to Hamilton, Ontario, to take over the management of the branch there. The change will be effective in about one month, and Mr. Skelton's place here will be taken by A. M. Peters, lately acting district superintendent for Alberta. The Hamilton branch is one of the most important in the Dominion, and Mr. Skelton's many friends will regret his departure, while lamenting his removal from the city. Mr. Skelton has been very active in many movements for the betterment

of conditions in the city, and his place will be hard to fill. He is a member of the executive of the Diocesan Synod, is a member of the Synod board of education and deputy chairman of the board of finance. He is also a member of the executive of Rothery Collegiate School, an ex-warden of St. Paul's church and is a member of the vestry of that church and chairman of the board of finance. He is a commissioner of the Church of England Institute, is treasurer of the local Red Cross and is a member of the council of the St. John Board of Trade. He is a prominent member of the Union Club, the Cliff Club, and the Riverside Golf and Country Club, the Union Lodge of Portland, F. & A. M., and of St. George's Society. He has been president of the Provincial Branch of the St. John Ambulance Association, and is second vice-president of the Tuberculosis Association and chairman of the finance committee. He is a member of the Board of Governors of the Health Centre, and is its treasurer. In these organizations his services have been highly valued. In none of them, however, will Mr. Skelton be missed more than he will be by the Boy Scouts, of whose organization he has been president and

in whose work he has taken the deepest interest ever since he came here. He was formerly Boy Scout Commissioner for New Brunswick. Mrs. Skelton has taken a prominent part in charitable work and by her kindly and generous manner has endeared herself to the people of St. John. Ever ready to help in any good work, uniting in her efforts for the worthy cause, Mrs. Skelton will be sadly missed from the ranks of those who do things—she is a charming hostess and a social favorite. Miss Katherine Skelton and Thomas Skelton are enthusiastic members of the younger set and are both very popular socially. The Skelton home has been the by-word for hospitality to city people and to strangers within our gates, and in the loss of this family St. John sustains the loss of sterling citizens whose place will be hard to fill.

The Fairville Baptist church annual roll call was held last evening with Rev. C. T. Clark conducting the service. Rev. M. A. MacNeill, of Maryville, was the speaker. A solo was sung by Miss Irma Conrad. The special collection amounted to \$130.

A novelty shower was held at the home of Miss Margaret Long, Prince street, West St. John, in honor of Miss Ethel Morrow, last evening. There was a large attendance of friends, who made the guest of honor the recipient of many beautiful presents. Dainty refreshments were served, and the remainder of the evening was spent in games and dancing.

The King's Birthday will be observed as a public holiday in the St. John Post Office on Monday as follows: The money order office will be closed. The general delivery, registration and stamp windows will be open from nine to ten a. m. and six to seven p. m. There will be one delivery by letter carriers. FOUND GUILTY AT SECOND TRIAL

On his second trial at this sitting of the County Court with Judge J. R. Armstrong presiding John Hartley was yesterday found guilty of an offense against a young boy. The jury was out twenty minutes. W. M. Ryan appeared for the Crown and C. R. Mercereau for the defense. Hartley was remanded for sentence. Court was adjourned until tomorrow morning when the case against William Merritt, charged with theft will be tried for the second time at this sitting.

MOTHER'S DAY AND THE PRICE OF FLOWERS

Hamilton, Ont., May 31.—Because florists have raised the prices of flowers so high for "Mother's Day" Mayor Juttan suggested that the city might use its greenhouses to flood the market.

Every day is Mother's Day in a busy home, but I always feel that other people do a lot to help me.

Do you ever think of this when you sit down to rock and knit and read your daily newspaper? Do you keep track of new products of other brains to save us time and money?

Advertising is as interesting as a fairy tale with its teas and silks and spices from Asia, its styles from an old grave in Egypt, its new foods and clothes from our own factories. I read it every day.

The family always remembers Mother's Day. Sometimes I wish they would read the advertisements and pick out something new that I covet a little for its novelty and attractiveness.

and keep down prices, which, he said, when compared with those of the Saturday before "Mother's Day." Some people suggest that the day be observed later when blooms are plentiful.

To make meals pleasanter—

THERE'S nothing quite like having enough silverware! It removes annoyance in serving the meal and makes the eating of it more agreeable.

And to try to get along without enough silverware is quite unnecessary. For in 1847 Rogers Bros. Silverplate you can provide all you need quite reasonably. Tea spoons in the beautiful Old Colony pattern, or in any other, cost only \$3.75 the half dozen. The other pieces—table knives and forks, dessert spoons, salad forks—are priced on the same moderate scale.

A sensible scheme is to purchase now the pieces you need most, and to add others in the chosen pattern from time to time. In the newer patterns your dealer always will be ready to supply your wants. Remember that "1847 Rogers Bros." is made to last a lifetime. It leaves nothing to be desired in durability or guarantee.

Send for "How Much Silverware," a new booklet which is a faithful guide to reasonable silverware purchases for families large and small.

What I Have Learned in 47 Years Practice

I HAVE been watching the results of constipation for 47 years, since I began the practice of medicine back in 1875. I am now 83 years old, and though from time to time the medical profession makes some wonderfully interesting experiments and tests the fundamentals of disease and relief in this particular ailment are unchanged.

But the people take greater interest today in their health, in diet, exercise and the drinking of water. Constipation, however, will occur from time to time no matter how one tries to avoid it. Of next importance, then, is how to treat it when it comes. I believe in getting as close to nature as possible, hence my remedy for constipation, known as Dr. Caldwell's Laxative Syrup Pepsin, is a mild vegetable compound. It is made of Egyptian senna and pepsin with agreeable aromatics. Children will not willingly take bitter things. Laxative Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written me to that effect.

Over 10 million bottles of Dr. Caldwell's Laxative Syrup Pepsin are now sold every year, and it is the most widely bought family laxative in the world. I say family laxative because all in the family can use it with safety. It is mild enough for the infant in arms, effective in the most chronic constipation of an adult. The formula is on every package.

Recently there has been a new wave of drastic physics. Calomel, a mineral that salivates and loosens teeth, has been revived; salt waters and powders that draw needed constituents from the blood; cool tar disguised in candy form that causes skin eruptions. In a practice of 47 years I have never seen any reason for their use when a medicine like Laxative Syrup Pepsin will empty the bowels just as promptly, more cleanly and gently, without gripping, and without shock to the system.

Keep free from constipation! It lowers your strength 28 per cent, hardens the arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope but go to a druggist and get a bottle of Dr. Caldwell's Laxative Syrup Pepsin. It is a generous-size bottle. Take a teaspoonful that night and by morning you will be well. The cost is only about a cent a dose. Use Laxative Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crummy stomach, piles, indigestion, loss of appetite or sleep, and to break up fevers and colds. Always have a bottle in the house, and observe these three rules of health: Keep the head cool, the feet warm, the bowels open.
