### SAYS HE WAS ROBBED HERE BY HIS CHUM

Fredrickson Lad Declares He Was Deserted Here and Left With No Money

To be turned away from his home in Fredericton by a chum with the intention of robbing him, and then to be robbed and left penniless after completing the first stage of his journey, was the experience told by Frank Gregory, an eighteen year old lad, who arrived in the city on one of the river steamers yesterday with a companion, Ralph Corney, aged 25, who belongs to Nova Scotia.

The two had been employed in a mill outside of Fredericton, and decided to go to Houston, Me., for the summer. They left Fredericton yesterday morning and arrived here about 4 o'clock.

They came to the city and engaged a room at Elliott's Hotel in German street. Gregory had about \$8, and Corney had about the same amount. It was their intention to leave on the Boston train at 7 o'clock this morning, so they decided to retire early. Gregory had never been in the city before, and knew very little about the place. Before going to bed Corney suggested that as he had a pocketbook, Gregory should give him his money until the morning. This was agreed to, and Corney put all the money in his purse. They awakened early this morning, and Corney told his chum that he would take the baggage down to the depot and see what time the train was due to leave, and that he would then return for him. This looked all right for the lad, so he agreed. Corney went down to the depot with the grip, and according to the railway officials, bought a ticket for Houston and left on the train, leaving his chum in the hotel without a penny. Gregory waited for his friend's return, but in vain. He went to the depot later to make enquiries and found that his supposed chum had gone. Not having been in the city before, he was at a loss to know what to do. He was told, however, to see the C. P. R. officials and see if they would arrange for his transportation back home.

He may lay information against Corney and the Houston police will be asked to arrest the latter.

### THEFT OF CHECK, THEN FORGERY ARE CHARGES IN KING'S COUNTY CASE

The Sussex Record says that Chief McLeod has gone to Nova Scotia in quest of a young man wanted on two serious charges. A few days ago he stole a check for \$57.70 from his employer at Upper Mersey, and then cashed it at a leading store, forging the endorsement to the check. The check was drawn by G. & G. Flewelling, Hanover. The police at Halifax and other points were communicated with and the man was located. He is being watched and little difficulty is expected in getting him.
