FOR THE YEOMANRY

A Splendid Body of Men-Their Records and Something About Each of Them.

(From Tuesday's Daily.)

To-night at ten o'clock Victoria's third and the provincial government the adress on behalf of plaintiffs by E. the Bodwall K. C. and the forces of the Empire in the prime of life, are the soldiers in the South African war will march out of whose hands has been placed the honor to the plans called for by the the new bridge to be built the new bridge to be built charge, have yet to come, the will embark for the drill hall in James Bay and proceed to of upholding the fair name of the city the drill hall in James Bay and proceed to of Victoria on the field of battle, and gard to the plans called for by the r for the new bridge to be built sthe Fraser at New Westminster. Some interesting testimony was given in the Small Debts court this morning in a suit of Sehl vs. Wm. Reid, of the ome since yesterday, and will not be endered until the duty on them has paid. In the meanwhile the collection of the structure of the str

sm. to-morrow.

In this content is the case of the content of the matter by the clause of the premier of Saturday.

According to efficials of the Dunsmuir officials of the Dunsmuir off The ten men who compose Victoria's quota consist of those whose names follow:

Carey, N. Macdonald, J. A. Warleigh, H. Little, R. C. Martin, A. C. Boyce, A. A. It is stated that the Premier promptly on finding this out, ordered the property closed, and that it will remain so.

Those who have passed the examination and whose names have been forwarded to Ottawa for any vacancies which may offer are: Bert. Vernon, who is applying for a ommission; S. Sherburn, and H. Grestock,

formerly of Strathcona's Horse. At the head of the contingent is a Victoria boy, son of one of the well known merchants of Johnson street. Corp. Anderson is still a young fellow, as are all the men with one exception, and has been a member of No. 1 Co. of the Fifth Regiment

for three years. Trooper A. A. Haggerty is a Montreal boy, whose parents still reside in that city. He has been here about three years. His ing of miners is to be held there this First Contingent, and a long account of his

"At Extension tunnel they are still working. The report that Premier Dunsmir and General Supt. Little entered No. 3 slope, when opened, is unconfirmed. It is generally doubted that such was done."

In No. 2 Co., R. C. R. I., at Stanley barranches to protect southern British Columbia from another epidemic of small pox. For two years, at first single-handed, and afterwards with the co-operation of the Dominion government, the health authorities have unceasingly fought authorities have unceasingly fought authorities have unceasingly fought against the inroads of this disease, hithertow and limited in extent, and most of force, be a peculiarly neefful man in the present countries."

In No. 2 Co., R. C. R. I., at Stanley barranches to protect southern British Columbia from another epidemic of small pox. For two years, at first single-handed, and they had very little provisions, so did not get much gold. There is nothing to warrant a rush to this district. It is true that spots are against the inroads of this disease, hithertow and limited in extent, and most of the country in the Royal Horse Artiflery, and will, therefore the result of the Dominion government, the health authorities have unceasingly fought against the inroads of this disease, hithertow and limited in extent, and most of the Dominion government, the health authorities have unceasingly fought against the inroads of this disease, hithertow and limited in extent, and most of the Dominion government, the health authorities have unceasingly fought authorities h

The greatest menace, however, lies in He was twelve years and eight months in the Royal Horse. Latterly he has been carrying on a farrier's business at Chemdingson. He is a widower.

The greatest menace, however, lies in Washington and Oregon states, lying along the southern boundary of the province. Here the health officials have us, which he has now turned over to his son. He is a widower.

Trooper A. C. Boyce was with the R. M. A. on this station and went home on the flagship. He afterwards took his discharge and returned to Victoria. He was five years and eight months in Washington and Oregon states, lying along the southern boundary of the province. Here the health officials have taken no efficient steps to curb the spread of the disease, especially as it was of a mild type, and was for a time confoundation. Smallpox however, according to health authorities, thrives and becomes more twelve miles over the divide by a very large number of claims of the length each have also been applicants, some of whom were represented by counsel.
