

W. C. A. A HOME FOR EVERY GIRL

Three Good Addresses Given Last Evening at Y. W. C. A. Meeting—Two Members of National Council Tell of Work Accomplished in Many Places.

Addresses showing the theoretical and eminently practical working of the Young Women's Christian Association were heard last evening by a large audience in the G. W. V. A. rooms.

On the platform were the president, Mrs. John A. McAvity, and three secretaries, Miss Lean, the war work secretary of the National Council; Miss F. Jones, the city secretary of the National Council, both of Toronto; and Miss Neashy, the local secretary.

It is hoped to raise \$10,000, which will equip the home and later to ask the women of the city for a maintenance fund to run it.

Mrs. McAvity spoke of the hope that later we might have a building which would house all the women's societies, and thanked the G. W. V. A. for their kindness in lending so readily their hall for meetings.

Miss Neashy followed with a very thoughtful paper on the ideals of the Y. W. C. A., showing how the aim was to have a place where all girls could meet on an equal footing.

After a much enjoyed solo by Mrs. George Bell, "At Eventide," Miss Lean was introduced. Miss Lean gave a most interesting account of the work of the hostesses during the war.

One of the chief objects of these hostesses was to have a place where mothers and wives could meet their soldier sons and husbands while they were in camp.

Before the establishment of the hostesses there had been several cases where a mother had come a long distance and had failed to locate her boy, one woman even having to return to Vancouver after two days without seeing her son.

Many hostesses without being established near Royal Camp Borden, Petawawa and other training camps.

The plan was to take a house in the neighborhood (at one camp it was two marquee) and make it as attractive and as un-like barracks as possible.

Chintz was used wherever possible; the verandas were furnished with big comfortable chairs, and everything was done to make a "home" near the camp.

A hostess is engaged and a committee of ladies chosen to assist. Girls are invited to spend the evenings there, and dances are held, musical evenings encouraged, card-playing allowed and everything done to make a hostess house a safe and happy place for men to spend the time.

Girls who come to see brothers or sweethearts are put up for the night and it is in these pleasant surroundings that they meet their relatives.

Camp Borden was 14 miles from a town and thus this house was equipped so that many women could be put up there while seeing their relatives and friends.

Potawawa the house was supposed to hold one hundred, but there were two hundred there regularly each night, and many a lonely man.

At Niagara a beautiful house was secured on Millonaire's Row (the owner having two sons over seas) a very good place to let her home for such a good cause, and there were gardens and orchards which furnished the house with fruit. Tea rooms were at different times slept over night at this particular house.

At one of the flying camps 300 women were served with tea on one of the Sports Days.

Miss Lean's own work was the organizing of the houses, the buying of the furniture, engaging of hostesses and taking charge of the accounts. In telling of this work of the homes Miss Lean told just the little details which showed her hearers how the many needs of girls were met at these homes, which must have meant so much to so many.

Plans are now being completed to establish a place for the wives of soldiers returning to Canada, and all societies will be asked to help with this most important work of the Y. W. C. A.

Mrs. Blake Ferris gave a spirited rendering of "The Veteran's Song," which was greatly appreciated.

Miss Fannie Jones, who made such a good impression here last spring, gave a stirring address full of enthusiasm, and brooding the spirit of hopefulness throughout. She gave an account of the work in Europe and its great success here. She spoke convincingly of the appeal for funds and said she felt strongly that the work was only beginning here. She told of several instances where girls in towns where there was no Y. W. C. A. had voiced the need of such a building, which they had known elsewhere, and warned the committee that everything of the Y. W. C. A. must be new, bright and attractive if they expected to get the girls. "It is for the girls," Miss Jones said, "a place which they can feel their own and for which they will have an ambition to make the finest Y. W. C. A. anywhere. We are proud of our Canadian boys, but we want to be just as proud of our Canadian girls and in this time of reconstruction and hope we want to get together to help the girls, to bring them together in a unity of purpose for the good of all."

Mrs. George F. Smith moved a sunny smile of thanks to the speaker, who was thanked by Mrs. G.

HATFIELD'S POINT BOY GIVES LIFE IN FRANCE

Charles E. Cleo Reported Killed in Action October 18th—Went Over With the Killies.

Hatfield Point, N. B., Nov. 25.—Friends here have received a telegram from Ottawa informing them that Pte. Charles Edward Cleo has been officially reported killed in action on October 18. He met his death while on outpost duty, by a German hand grenade.

Pte. Cleo was among the first here to answer his country's call, enlisting with the 236th McLean Killies, on Sept. 28, 1915. He was only 18 years old at the time of enlisting. He had a kind cheerful disposition, and was liked by all. He crossed to England with the 236th McLean Killies and was later transferred to the 12th Canadian Battalion. His friends feel it very hard to think he should be killed when victory was so near in sight. He is survived by one sister, Annie, of Leicester, England, one brother, Augustus, who was with the South Staffords, Eng., paid the supreme sacrifice a few months previous.

It is hoped to raise \$10,000, which will equip the home and later to ask the women of the city for a maintenance fund to run it.

Mrs. McAvity spoke of the hope that later we might have a building which would house all the women's societies, and thanked the G. W. V. A. for their kindness in lending so readily their hall for meetings.

SEAMEN'S INSTITUTE OFFICIAL OPENING

Large Crowd Enjoyed Programme Last Evening—Junior City Cornet Band Made Hit—Canteen Did God Business.

Last night was the official opening of the Seaman's Institute for the season of 1919-20, and a very enjoyable evening was spent by those present.

The members of the Junior City Cornet Band were present in sailor tops and provided a programme of songs, members of the crews of the various vessels in port also took part in the impromptu programme which was given. The canteen was going full blast, and did a rushing business, showing that the men appreciate the opportunity offered to buy lunches, etc., while in the building.

The canteen this year is being run by the girls of the Y. W. P. A., who will have a strong committee on hand each evening to cater to the wants of the men. Last year a canteen was operated in a small way and proved so popular that this year it is being run on more complete lines, with full kitchen equipment.

Other additions have been made, which will add greatly to the usefulness of the building. A modern and up-to-date bathroom has been installed, the heating has been remodelled, and now every part of the building can be made comfortable in the coldest weather. A moving picture outfit is being installed and a number of beds have been fitted up, making it possible to provide lodging for sailors.

It is planned to show pictures three times a week, and the films have been kindly donated by the Canadian Trust, the fund for which G. G. Margetts is Maritime manager.

The funds for the improvements made have been supplied by the Navy League, and they are also supplying the funds for the Christmas week entertainments.

On Wednesday night there will be a concert by the men from the "Fulmar," and on Thursday night the men from the cruiser "Nort" will be entertained at the Institute. For this entertainment, the Navy League are supplying the refreshments, and the girls of the Y. W. P. A. will act as waitresses.

For Christmas week there will be entertainments every night, and it is planned to cater to 1,000 sailors in the building, which is being done by the big night, however, when the grand concert will be given, and the usual comfort bags distributed.

The annual meeting of the Carleton Curling Club was held last night at the club rooms and was a most successful gathering. Supper was served and a splendid programme of songs and speeches carried out. The report submitted showed that last season was one of the best in the history of the club. Sixteen new members were elected last night and the prospects for the coming season are bright.

The following officers were elected for the coming year: Charles A. Clark, president; Frank T. Morris, vice-president; Charles O. Bell, secretary; James Scott, treasurer; James Scott, Harry L. Lingley, match committee.

The Commercial League last evening Ames, Holden, McCready Company defeated the W. F. Hatheway Company team in a closely contested game. The former team took 77 73 73 242 80 23. The latter team took 77 73 242 80 23.

The demobilization of the artillery unit is being rapidly accomplished, when about fifteen men were released yesterday.

When this unit has been demobilized, operations centre among the members of the depot Battalion, and finally the local Engineers Depot.

Many of the members of the Depot Battalion, now out on leave, will not doubt be called up in the near future for their final discharge.

It was announced yesterday that Captain (Doctor) MacGregor, C.A.M.C., has been assigned to duty with the staff of the military hospitals here.

MISS McLEAN'S MEMORY. People of P. E. Island are honoring the memory of Miss Rena (Bird) McLean by establishing a hospital memorial fund in her name. Already many generous contributions have been received, and it is proposed that this memorial will perpetuate the sacrifice of one who had devoted her life to the relief of suffering. Miss McLean was one of the nurses lost when the hospital ship "Llandovery Castle" was torpedoed.

RESIGNED HER POSITION. Miss Mabel Williams, who for the past two and a half years has been employed in the office of Charles Robinson, secretary of the Returned Soldiers' Aid Commission, has resigned her position and returned to her home at Long Beach, called home by the illness of her mother. Miss Williams who has made a host of friends while in the city, left for home on Saturday last.

Fred Fisher, and the meeting closed with the singing of the National Anthem.

LIEUT. JORDAN OF NORTH ESSEX IS A DEEPLY RELIGIOUS YOUNG MAN

But That Does Not Prevent Him from Killing Nine Germans, Single-handed—From Holding a Position for Four Days Until Relieved—From Scraping in the Huns in Bunches or from Winning the D. C. M., the Military Medal and His Commission.

Newcastle, Nov. 25.—Mr. and Mrs. Nathaniel Jordan of North East Boom have received word that their son, Morrison Jordan, who three years ago at the age of 21 years, enlisted in the 12th Battalion as a private, and was transferred to the 20th Nova Scotia Battalion, where he has been ever since, has won the military cross and a commission for most distinguished bravery on the field of battle.

It appears that on the second day of the battle of Amiens, the company of the 25th in which Mr. Jordan was then sergeant-major, overcame several companies of Germans opposite them, and brought in as captives the German brigadier and 400 of his men. The Canadian company was reduced to Sergeant-Major Jordan, one sergeant and 58 men, every officer a casualty. For this exploit the Miramichi boy got the military cross and his colonel declared he would not go back to the fighting line except as an officer.

On August 16, 1917, the same hero alone killed nine Germans and captured their trench mortar and led twelve other captives into the Canadian lines. The captured mortar was sent as a trophy to Halifax.

On August 21, 1917, Sgt. Jordan's company had taken their objective, when the German counter-attack in great force. No active officer being left, Sgt. Jordan took command and held the position for four days, till Mr. Jordan, one sergeant and 58 men, every officer a casualty. For this exploit the Miramichi boy got the military cross and his colonel declared he would not go back to the fighting line except as an officer.

LABELLE WOMAN IN POLICE COURT

Yesterday afternoon's session of the police court was occupied with the case against a woman named Labelle arrested by the military on the charge of communicating disease to soldiers.

The chief medical officer of the Depot Battalion gave evidence that this woman was arrested on the Camp Grounds at Sussex in August on the same complaint, that she submitted to a medical examination and was found to be diseased. A sailor from one of the ships in the harbor testified that he had met the witness and had gone with her to a house on Brindley street. A member of the 7th Battery, West St. John, had also been with her. A second soldier gave evidence along the same lines, having been with the woman in her Brindley street house. These three men have since become affected by the disease and are undergoing treatment. All are in serious condition.

The witness asked that the hearing be postponed until she could secure evidence in contradiction of this testimony.

On Friday afternoon another case of a similar nature will be tried before Magistrate Allingham of the Fairville court.

One drunk in the police court yesterday was let go on suspended sentence of fifty-eight dollars.
