PERON RUSSIAN

French Aviators

Paris, July 10.—Hill 97, a height of 1000 feet according to the official report.

The text of the state "North of the Somme, some progress in the region of Biaches was captured and retained themselves. We to "Southeast of Biaches height which dominates the wood."

"We also took La Ma Maionnette. Some of the front.

"Our aviators attacked the region of Froreplie energetically. The front.

"There were lively attacks to the north of Diam VILLAGE A FORTRESS WON IN 90 MINUTES.

Paris, July 10.—The French of the Biaches village in our possession, the principal suburb was accomplished in about a half. A French lieutenant in the assault, described as follows:

"At noon word came that our aviators had been ordered to keep ready and the front from Somont Park-Kn-Santerre.

"The first German line was most without fighting, so the preparatory bombardment when we entered Biaches we found every house on fire and the German machine guns. Our artillery, its accuracy and power, defenses, though it still leaves full of enemies.

"As we entered the commandant, who was a of a battalion with rifle charged the trumpeters to charge. All the Germans were captured or killed in our possession. The commandant was wounded from a lieutenant's revolver knocked down the lieutenant from his rifle.

"At 2.35 the village was in our possession. The German order had to be 'impregnable.' We a than two kilometres (or half miles) from Peronn Only Opening Phase.

The recent fighting on front in the Somme sector opening phase of a plan made by General Joffre, a review of the military operations in today's Temps.

"The paper says that all expected have been accomplished further successes are assured. 'Everybody' will remain in the Temps. 'The danger of making the newspapers the plan executed by General Joffre understood that the operation carried out in a rigid form. Napoleon himself need such ideas. His plans ended by one chief purpose, a state of continuous evolution followed them after observing the of the enemy.

"Our operations have been well, and it is unnecessary to foretell what will follow from the front where the contact with the enemy will be evolutionary. The French commander may intentions."

Kaiser's Physician London, July 10.—An An patch to the Exchange Telegraph says that Dr. Frederic Liberg died in Berlin Sunday. Liberg was a member of the staff of the Kaiser's physician and was affected from which the Kaiser has suffered for many years. One of the emperor's friends.

Be Bright, Well Strong, Restore Youthful Looks. Let your light for better health be in you. Before you feel any warning of physical collapse, cleanse and strengthen and build up your system.

RUSSIANS MAKING NEW GAINS. (Continued from page 1.) day. In the Adiglo valley, and in the Upper Astico Basin, our pressure compelled the enemy to withdraw, uncovering new batteries on commanding positions previously prepared by him.
