

A CONTRAST

The Courier has become the organ of the little Brantfordites. —Expositor. Don't want to usurp your place thank you. For years the Expositor has supported measures which would have involved the belittlement of Brantford.

Here is a partial list.

- 1. Tried to have Brantford Water works handed over to a U. S. company for their enrichment at the expense of the people. It was only when it found The Courier to be on the popular side in demanding public ownership that it switched. 2. Fought continuously against competition in electric lighting. 3. Didn't at first prove very enthusiastic on behalf of telephone competition. 4. Fought to have the city give a free site on the Market Square for Post Office. 5. Fought tooth and nail on three occasions against Hydro Electric in order that a private company might continue monopolistic prices. These are a few local illustrations Now as to Dominion affairs.

- 1. The Brantford Expositor opposed the National Policy, that scheme which led to the first building of the Dominion. 2. It opposed the construction of the Canadian Pacific Railway, the project which started the present glorious development of the West. 3. It supported Commercial Union that Wimen plot which was designed to have the stars and stripes fold over the Dominion. 4. It espoused the Reciprocity pact, which President Taft, in a letter to Ex-President Roosevelt, was designed to make Canada an appendage of our neighbors. But why go on with either list? The undoubted and the unchallenged fact is that our esteemed tem has by its advocacies, constantly declared not only for a small Brantford, but also for a small Dominion.

GOVERNMENT TO ESTABLISH PUBLIC HEALTH DEPARTMENT

The Government will introduce this session a bill to create a department of public health. Hon. D. Roche, Minister of Interior, has for years been interested in national problems of health, and the work preparing a bill has been placed in his hands and the hands of Hon. Martin Burrell, Minister of Agriculture.

TWINS BOTHER THE LAW

LONDON, Jan. 22.—The twins, Ebenezer Albert Fox and Albert Ebenezer Fox, are so alike in appearance that the police are puzzled to find out which is which. Ebenezer Fox claims compensation from the Home Secretary for wrongful imprisonment on charge of poaching. While Ebenezer Albert was in prison on this charge Albert Ebenezer wrote to the Home Secretary that he was the guilty party. The Home Secretary did not reply, and it has been decided to call the case quits, as one brother recently served a month's imprisonment for an offence committed by the other.

Chief Lewis Returns Hearty Thanks

Brantford, Jan. 18, '13. C. L. Messecar, Esq., Manager, The Brantford Cordage Company, Limited, City:

Dear Sir,—I beg to acknowledge receipt of cheque for 50.00 and on behalf of the Brantford Fire Department and myself, I wish to thank you most heartily for same.

I also wish to thank you for your kind words of appreciation of our services rendered at the disastrous fire, which unfortunately visited your premises on the night of Jan. 13th. I am only sorry that we could not have rendered you better assistance, but being greatly handicapped, owing to scarcity of hydrants in the vicinity of your factory, it was absolutely impossible to save the building in which the fire occurred.

I assure you that your words of encouragement, both while working at the fire, and after, and your kindness in sending us the cheque, will long be remembered and appreciated both by myself and members of The Brantford Fire Department.

Yours truly, D. J. LEWIS, Chief B.F.D.

DON'T SCOLD AN IRRITABLE CHILD

If tongue is coated, stomach sour, breath feverish, give "Syrup of Figs" to clean the bowels.

Your child isn't naturally cross, irritable and peevish. Mother! Examine the tongue; if coated, it means the little ones' stomach is disordered, liver inactive and its thirty feet of bowels clogged with foul, decaying waste.

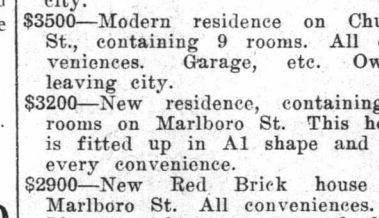

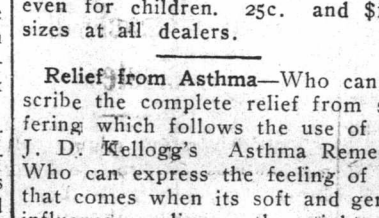

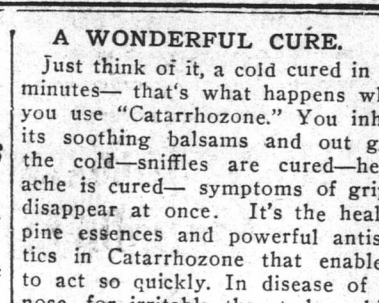

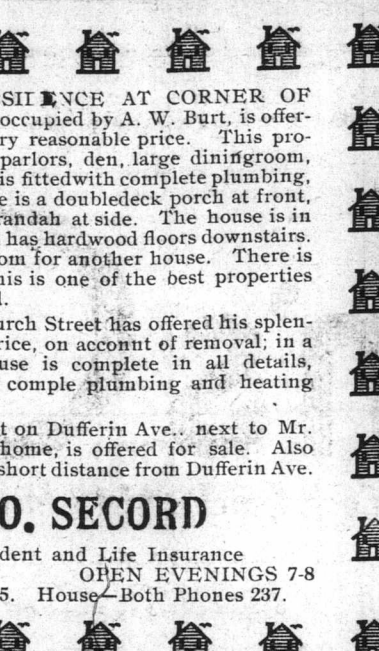

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver and bowels so effectually, besides they dearly love its delightful fig taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half a teaspoonful of "Syrup of Figs" and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move and out of the system without griping or nausea, and you will have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna", prepared by the California Fig Syrup Co. This is the delicious, tasting, genuine old reliable. Refuse anything else offered.

Aches and Pains of rheumatism are not permanently, but only temporarily, relieved by external remedies. Why not use an internal remedy—Hood's Sarsaparilla, which corrects the acidity of the blood on which rheumatism depends and cures the disease.
