PHOTOGRAPHY

As a money making business is an assured fact, and as a recreation, has no equal. In the practice of photography you combine pleasure with instruction, which are not combined in other forms of amusement. For ladies and gentlemen during holidays it is just the thing. Previous experience not necessary. A book of complete instructions given with each outfit. You who have no trade or business, get one of the Barnes \$15 Amateur Outfits, and we will instruct you how to become a photographer. A complete outfit only \$15. Price list and descriptive circular on application.
