Keen student interest is expected at the Parliament which should be highly interesting. There is plenty of room for spectators on both nights.

The government this year con-sists of a coalition of the Progressive Conservatives led by Peter McDermaid, who won 28 of the 60 seats, and Tom Clark's Maritime Rights Party, which won 10 seats. "Her Majesty's Loyal Opposition" consist of the Liberal Party, led by Tom MacQuarrie, which won 22 seats.

The legislation to be presented at the Model Parliament will embody the principals of both parties. The possibility of a TV coverage for the opening of the Parliament is being explored, but is not definite as yet.

Clinic Claimed Inefficient

Alleged inefficiency at the Student Health Clinic came into light last Thursday at the Student Council meeting. The Shirreff Hall girls meeting on Tuesday, discussed the matter of the Student Health Clinic, which they felt was of campuswide importance and as a result, they presented a letter to the Student Council which stated their dissatisfaction with the present operation of the Student Health Clinic. Three recommendations were proposed for future operations. (See page two for contents of the letter.)

Coming Up On Tuesday, February 28th, the

Students' Council will hold a Student Forum of paramount importance to all Dalhousie students. It is hoped that the Senate will cancel classes for the occasion.

The current Point system has been revised and approved by Student Council. At this Forum it is hoped that a vote will pass or reject the revisions, in addition to passing some minor Constitutional amendments.

The candidates for major campus offices will present their platforms at this time. ...Perhaps the biggest item on the

agenda is Council's proposal to raise the Council fee from \$13 to \$16. From this three dollar raise Council wishes to earmark two-thirds of the raise for paying off the rink debt. The other third will probably go towards developing Interfac sports and delving into new projects.
