

# entertainment

The Peaches, these three singing sisters, are part of the new swinging scene in the Constellation Hotel's Woodbine Inn. A new menu and the voices of these three recording stars has made the Woodbine Inn a popular spot for dining, dancing and just plain listening.

## An Evening Out with Roger Doris

Continued  
Johnson's Airport Hotel, will be held December 18, 19 and 20th.  
A special buffet will be set up in the Toronto Rooms, with entertainment, from 12 noon until 3.30 p.m.  
Price of this fun affair will be \$4.00 per person, which will also include the tip.

+++  
New Year's Eve in the Mad Mechanic at the Sherway Inn should be a real swinging affair.

The group that will be appearing there is the fabulous group called 'Banned in Boston'.

The Sherway Inn also has a fun luncheon in the Mad Mechanic on December 24th that always proves to be both a good luncheon and a fulfilled afternoon.

Dinner will be served both Christmas Day and New Year's Day in the Sherway Inn.

There are four pages of entertainment in this newspaper, with many places advertising their facilities for Christmas and New Year's Eve.

Look over these pages and you will see the wide variety of places that are available, and at the various price levels.

I am sure that there should be no need for anyone to look any further than these pages to find something to satisfy their desires.

There seems to be many people going out on both Christmas and New Year's this year, so I would advise you to make your reservations as soon as you possibly can.

+++  
There will be plenty of office parties this coming week, and many may be having a few drinks to celebrate the occasion.

If this should be the case, please take a taxi, a bus or phone a friend to come and get you. It is not worth the trouble you could cause, if you decide to drink and drive.

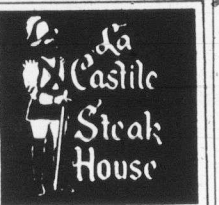

Judi Evans is currently the featured vocalist with the Ken Stanley Trio in the Little Brown Jug Lounge at the Ascot Inn. Judi is a pert little French gal from the east coast, who has been doing an excellent job of entertaining in many clubs and lounges from coast to coast, although she now makes Toronto her home.
