When I received a letter from
Miss George telling me that the club
would meet this afternoon, and
that I would have the pleasure of
seeing you all again, I need hardly
inform you, that the pleasure
anticipated was very great. For
me at least, our meeting together
this afternoon is a significant thing
for it partakes at once of the
same time of the nature of a
happy reunion & welcome, and
also of ~~regret~~ much to be regretted
farewell. Perhaps it is more
than this. Looking from a
higher ground it stands at once
as one of the most important moments
