Couldn't Longer Dodge the Board of Works—His Graceful Surrender.

Work of the New Council Formally Inaugurated—Officers Appointed for Year.

The matter of the civic plates was finally settled at the Council meeting last evening. The chairmanship of the Board of Works, which has been the cause of the dispute, was finally taken by Ald. McCoo. It was explained that Ald. Piggott could not get permission from his firm to accept the position so the lot fell to Mr. McCoo.

Mr. McCoo thought that he would be failing to appreciate the confidence of the people if he refused to take this position, and he was willing to take it and do the best he could with it.

The final slate is:—  
Finance—Ald. Marshall, Scullard and Tye.

Board of Works—Ald. McCoo, Mounter and Piggott.

Property—Ald. Edmondson, Martin and Westman.

The regular business of the evening was then proceeded with.

A letter was received from Arthur Green, of Cleveland, applying for the position of caretaker of Victoria Park.

John Flook asked permission to cut down trees. Referred to the Chief of Police.

A letter from the Canadian Corporation Trust Co. was referred to the Property committee.

Robert Pollard, who fell on Wellington street, gave notice that he would enter an action for damages.

Chief Pritchard reported on his trip to London to attend the funeral of the late Chief Roe. His account, \$5, was paid.

D. W. Crow wished to purchase the end of Ursuline street to build a boat. Referred to Finance.

Alex. McDonald wrote, complaining that Mr. Crow is obstructing the passage way on Ursuline street. Referred to Finance.

A letter from the Blaine Harrow Company was referred to the Industrial committee. They wish to locate their new plant.

The clerk reported that in the last election the Pork by-law was defeated and the Railroad and Debenture Debt by-laws were carried.

Ald. Mounter asked that the assessors place on the rolls the assessment of church properties, for local improvement purposes.

This was viewed as a good move, and carried. In this way the owners of church properties will have a voice in the matter of public improvements.

Ald. Westman brought up an important matter in connection with complaints. He moved that the engineer keep a book for complaints, and that these minor complaints come in by telephone from the people instead of having them come up at the Council meeting. This was carried.

## OFFICERS ARE DELIGHTED

Col. Rankin Addresses the Big Chorus at the Robin Hood Recital.

Hearty Eulogies on the Magnificent Production—Some Distinguished Visitors Coming.

"The officers of the Regiment thank and congratulate every young lady and gentleman present," said Colonel J. B. Rankin, K. C., addressing the big Robin Hood rehearsal last evening, "you have indeed prepared a magnificent production—something that will amaze and delight every citizen of Chatham. I particularly desire to pay tribute to Mr. Wilson, your director, who is proving himself a veritable genius and to say that, while it has been my privilege and pleasure to hear many of the successful Maple City operatic presentations in the past, I have never heard anything to equal the spirit and excellence of Robin Hood as you have portrayed it tonight. The officers and patrons with me desire to convey their hearty and cordial congratulations to you all."

Continuing Colonel Rankin said the officers were energetically at work on their part of the arrangements. Negotiations were completed for one of the finest orchestras ever heard in this district to play the music of the opera, and Handmaster Walker was endeavoring to have the new Regimental Band, with the excellent Bugle Band, out in full force for that occasion.

The Earl of Dundonald, G. O. C., who has graciously extended his patronage to the production, was expected to be present with Lord Aylmer, Adjutant General; Colonel Otter, who commanded the gallant Canadian contingent in South Africa, and Colonel Peters, D. O. C., and Mrs. Peters, of London.

In concluding Colonel Rankin expressed the thanks of the Regiment to Mr. Frank Babcock, district manager of the Mason & Risch Piano Company, who generously loaned the company one of his excellent instruments—"that which there are no better," commented the Colonel amid applause.

There were present with Colonel Rankin, Capt. J. W. McLaren, Adjutant W. A. Colhart, Lieut. G. I. Lewis, Lieut. H. D. Smith, County Crown Attorney; Lieut. J. S. Turner, Mr. and Mrs. J. T. O'Keefe, S. Stephenson, Miss Stephenson, Mr. and Mrs. F. Babcock, Jas. Fleming and many others, all of whom were hearty in their praise of the work done.

The rehearsal was a very successful one. Eighty-six members of the company were present and the music of the first act was gone through in its entirety. Miss Ruby Gordon and Miss Lucy McKellar taking their solos in splendid style.

On Thursday night—the next rehearsal—Mr. Slade will again be present, and the whole production will be introduced by the principals. Every principal is expected to have the libretto on this occasion.

The officers expect to hear definitely from Lord Dundonald by the end of the week, when the date of the production will be formally announced.

Rehearsals are going on every afternoon and evening for the Macabre Minstrels, and by January 21st they will be "Dead letter" perfect for the first performance, and the costumes and stage settings are not surpassed by any travelling company in America. The music is snappy and full of ginger, yet tuneful. The work done by the eight and men will be a surprise to their many friends. The olio, or second part, will be made up of some up-to-date specialties, using both ladies and gentlemen. Mr. Geo. Solman tells his troubles in this part. Two hours of solid show, no waste, everything up to the minute. Don't forget the date.

## STILL AT WORK

Grooks Who Operated in Chatham Made Another Haul in St. Thomas.

St. Thomas, Ont., Jan. 11.—A daring robbery was committed at the Michigan Central depot here last night, the ticket office being entered and robbed. When No. 37 express pulled out of the station at 6.25, both Ticket Agent Michael and Depotmaster Allen went home for supper, and it appears the robbery was committed shortly afterwards, as D. Gow, the night depotmaster found the ticket office door partly open when he went on duty about seven o'clock. The thief, or thieves, were evidently old hands at the business. The doors bear marks of having been forced open with a chisel, which was found lying near the scene of operations. It was found that the sum of \$30.55—\$34 being in bills, \$3 in coppers, and the rest in silver—was taken from the till, while five tickets, numbering from 0 to 4, good over the M. C. R., as well as 10h Burlington and perhaps the Great Northern, were taken. The thief worked quietly and quickly. The ticket office door opens into the waiting room, while only about 30 feet away and straight across the room is the door leading to the office. The depotmaster and Detective Heenan. The latter was at his desk, busily engaged, but heard no noise whatever.

Two men of a suspicious looking character were noticed during the evening in the dining rooms of the Webach depot.

Similar robberies have taken place in Stratford, Guelph, Brantford and London.

The Maple City police believe that the men who robbed the M. C. R. station at St. Thomas are the same who attempted to rob the G. T. R. station here, and who made the several attempts on the business places of the King street Merchants, W. N. Morley's and W. J. Kenny's doors were both attempted in the same manner as the door at the M. C. R. station was opened.

## NOTED CROOKS WANTED

Windsor, Ont., Jan. 11.—Detectives Campeau and Mahoney to-day sent out circulars to the police departments of cities in Canada and the United States, asking for the arrest of Thos. Bishop and James Pearson, ex-convicts, on a charge of burglarizing W. T. Bell's jewelry store in Tilbury, Ont., Dec. 18 last, when goods to the amount of \$2,000 were taken. Both men are well-known crooks. Bishop is 41 years of age, and has done time in the Central Prison, Toronto, and in Kingston penitentiary. Pearson is 31 years old, and has lived in Leith, Ont.

## A SUGGESTION

Health Inspector Anson Mounter thinks that if people who have complaints to make would report to the proper authorities instead of running to the papers and making the work harder to trace out owing to the fact that the offenders are then on the lookout, much better work could be accomplished.

Mr. Mounter has seized three quarters of beef said to be affected with lump jaw, and he hopes to be able to place the case before the authorities next Wednesday.
