"DANGEROUS DISEASES. How many life-long maladies spring from neglecting trifling causes! The cough readily cured by Dr. Wilson's Pulmonary Cherry Balsam, becomes, through carelessness, the irremediable torment for after life. With a knowledge of the curative powers this Balsam possesses, those who fail to use it for extirpating the first symptoms of a cough, which, if now neglected, may end in consumption, will have to bear the punishment of their own folly."—*Eastern Chronicle, Pictou, N. S.*

"FEAR NOT! — Though troubled with what seems an incurable cough, Dr. Wilson's Pulmonary Cherry Balsam will cut short all Lung Complaints which have their origin in affections of the chest. The superiority of this medicine over all others for subduing a harassing cough, has been so fully and widely proved, that it is only necessary to ask those afflicted to give it a trial; and, if fairly tried, no disappointment will ever ensue. It will arrest the increasing cough, allay disquietude, and perfectly cure."—*The Islander, Charlotte-town.*
